QUIET EASTER IN BRIDGETOWN

No Train Services For Three Days. Snow Falls Cuts For Umpteenth Time.

HOLIDAY VISITORS DISAPPOINTED

RISK STILL DOES ACTIVE BUSINESS—Church Services Were Well Attended.

Easter was spent in Bridgetown in a quiet manner approximating pretty closely to a strict observance of the Sabbath. About the only depressions were skating at the rink, an ordeal at the movies and a slight excitement in the evening out on Jeffrey Street which an S. O. S. call was sent notifying the officers of the law that a capture might be made of either John Herbergorn or his weaker brother, who were at once set in motion to find the cord of some evidence that was found that the wet roads, it was found, had been sprung away.

During Saturday afternoon the express trains began to arrive and discharged many long delayed vacationers, a number of whom have put in their hotel accounts to the railway for services during the tie up.

EASTER AT THE CHURCHES

Dedication at St. James of Alms-Basin Presented By Mrs. Fred Uncles of Newcastle.

SPECIAL MUSIC

Beautiful Programme at St. James and at United Church.

The Easter services in the United Church were well attended in spite of the inclemency of the weather. In the morning the Rev. Cranwick Jost, M.A., D.D., preached a special Easter sermon. The choir rendered a special anthem. The evening service was a particularly interesting one, the choir rendering several extra pieces of special music. The introductory anthem was made particularly attractive by the chimes made and played by Mr. Percy Burns. The offertory piece was a fine cornet solo by Mr. Hartley, with organ accompaniment by Mrs. A. R. Bishop. The pastor, the Rev. J. H. Freestone, preached from the text: "Then They Remembered His Words." The sacrament of the Lord's Supper was attended by a large number and a reception of members took place during the celebration.

The services in St. James' Church on Easter-day were bright and hearty and characteristic of the great festival. A feature of the morning service was the dedication of a Brass Alms-Basin presented to the church by Mrs. Fred Uncles, of Newcastle, N. B., in memory of her aunt, Mrs. I. B. Freeman, who, for many years, was a devoted member of St. James' Church congregation. The Alms-Basin was manufactured by the well known firm of Richard and Andrews, Ottawa, and on the under side, bears the inscription: "To the glory of God, and in loving memory of Annie Freeman, born at Newcastle, N. B., died at Bridgetown, N. S."

As is usual at Easter, the altar was adorned with lilies and daffodils. These were contributed by Mrs. Chas. DeWitt, (in memoriam), Mr. Arthur C. Johnstone, Dartmouth, (in memoriam), Mrs. Walter McCormick, (in memoriam) and Mrs. O. T. Daniels.

TRAGIC DEATH GRANVILLE CENTRE

Mrs. John Troop, Aged and Respected Lady Fatally Burned.

DEATH ENSUES IN THREE HOURS

While Placing Lighted Paper in Stove Her Kimona Ignited, Help Unavailable.

A most distressing fatality occurred at Granville Centre on Sunday evening when Mrs. John Troop, an aged and respected lady of that place, was burned so severely that she died three hours after.

Mrs. Troop, who had reached the age of seventy-five years, and had been poorly for some days, got up and after putting on her kimona, lit a piece of paper which, as she was putting it into the stove, ignited her clothing. Her husband who is eighty years old, was quite near but unable to get to the spot sufficiently quick to cope with the situation. Her son, LeBaron Troop, who lives with his family in the other end of the house, arrived in the room a moment or two after but the inflammable nature of Mrs. Troop's apparel was such that before the flames could be extinguished she was severely burned. Medical aid was summoned from Granville Ferry three miles away but in spite of all that could be done the unfortunate old lady passed away three hours after the accident took place.

A Word To Subscribers

We wish to express our very cordial thanks to those of our subscribers who have recognized the fact that it requires a certain amount of money to run a newspaper, and have attended to the payment of subscriptions. Practically every subscriber from Sydney Cape Breton in the East to Vancouver and San Francisco in the West and San Antonio, Texas, in the South, has received his or her account. Much as we regret to have to say it, many readers still have the idea that newspapers can be run on wind and water alone. Wages and supplies paid by promises which can be redeemed at any old time. We freely concede that the money market is tight but at the same time every newspaper in the Province has hundreds of subscribers the wheels of whose business machinery would not be blocked by the payment of long overdue subscriptions.

Within a short time authorized collectors will make calls. Kindly remember that newspaper publishers have the same human needs as any other citizen in the community. We thank you.

YOUNG PEOPLE'S SOCIETY ORGANIZED IN UNITED CHURCH

The United Church has recently organized a Young People's Society under the capable leadership of Mr. E. A. Hicks. The first meeting will be on Friday next at 7.30 and will be in charge of the Devotional Committee. The different evenings will be in charge of the following committees: Devotional, Literary, Missionary and Historical. A very able staff is taking hold of the work and it appears that the members of the congregation cannot afford to miss these Friday night meetings. The aid of the splendid new lantern will be called in to help provide very many of the programmes.

TO U. S. SUBSCRIBERS

On and after May 1st the rates to Monitor subscribers in the United States will be two dollars and fifty cents per year instead of two dollars as at present. This is in keeping with usual practice followed by news papers. It costs us just fifty-two cents more per year to deliver in the U. S. than in Canada. Newsprint has gone up a substantial amount and is probably due for another boost in July. Cheques sent in for subscriptions must be payable here at par.

WEATHER STILL Baffles Description and Disappoints All Expectations

No one in the neighborhood from the youngest "nut" to the oldest stager remembers weather at this time of year such as we have been getting during the past week. On Wednesday night the thermometer dropped gradually during the evening and in the early morning hours more rapidly, so much so that several respectable citizens state that the glass registered 18 below. Numbers of water pipes not previously frozen during the winter were tied up hard and fast and the day was one of great activities among the plumbers. Snow storms and blustery weather gave the transportation companies another almost unexpected jolt. The sun releases great quantities of snow by evaporation but somehow the loss appears to be pretty well made good by numerous and unseasonable storms.

ANCIENT SCULPTURES

Important rock sculpturing has just been unearthed near Edinburgh Castle by Mr. Ludovic Mann. The carvings are said to be more than 3,000 years old. But excavators are at work at Traprain Law, where even older carvings are expected to be found. It was here that the famous Viking buried treasure was said to have been buried. Maybe we shall have another case of Tutankhamen at home.—London Times.

OBITUARY

Burpee Floyd Clark.

Port Lorne.—The "Angel of Death" visited the home of Mr. and Mrs. Geo. Clark on Sunday, March 11th, and claimed their only child, Burpee Floyd, age five years.

He had been confined to his bed for a year, but regardless of his suffering he was a bright and cheerful little boy and all who knew him loved him.

He leaves to mourn their loss, a devoted father and mother and four grandparents. Heartfelt sympathy is felt for the bereaved ones, but their loss is his gain. He has gone to be with Jesus where he will know no more pain or suffering.

He is gone but not forgotten. He has reached that shining shore where the portal gates are open to receive him evermore.

He has left this world of trouble free from every sin and care. But he left his friends behind him. Father and mother dear.

When the family ties are broken, And the farewell words are said, In that sleep that knows no waking We'll be numbered with the dead.
