We are educating a student in Samulcotta Seminary, and it gives us great encouragement in reading the LINK and seeing that such a number of other Bands are educating students in India. INA MOWRY, Sec.

LONDON, ADELAIDE ST.—The LINK has not for sometime received a report from the Missionary Societies in connection with our church. Though we have been backward, we can indeed report progress. The Junior Band, and the Young Ladies' Circle have grown wonderfully this year, under the efficient leadership of our president, Mrs. G. F. Robertson. The Band has been especially progressive. The children meet the first Sunday of each month, just after the close of the Sunday School. A short programme is always provided and afterwards any business which may belong to the Band is transacted in a businesslike manner. The children take an active part and appear to be thoroughly interested. One evening, recently, a happy crowd of little workers gathered in the basement of our church, the object being an entertainment to be given entirely by themselves. Their little faces fairly shone with delight as the room filled with their parents and friends. Each little heart felt the true joy of helping to carry out their Master's great command, "Go ye therefore into all the world and preach the gospel to every creature." At the close of a very excellent programme, our pastor, Mr. Mihell, made a few well chosen remarks on Mission work. A very enjoyable evening was then brought to a close. The collection amounted to \$6.75. The Young Ladies' Circle meets once every month. There is an honorary membership in connection with our Young Ladies' Circle in which the young men may become members, by paying \$1.00 a year. They are only privileged to attend the open meetings, which are held quarterly. This we find an excellent means of interesting the young men.—K. MCK.

SHELBOURNE COUNTY has sent us so few items this winter that we note with pleasure the fact (in a letter from Mr. Dunlap) that the work is progressing favourable at the River. It is discouraging to lose so many members by removals, but if they are helping forward in their new homes, it is well.

MIRAMICHI N. B.—A letter from the President of the Ludlow Mission Band speaks gratefully of the good our Missionary leaflets have done. The Band in Ludlow is a large one, and meets once every week.

BERWICK N. S.—Mrs. Daley says, "The Mite Boxes are doing good work. The little ones collected two dollars in two weeks. The interest is good."
