History of British Columbia

From the earliest period to the present time.

BY HUBERT HOWE BANCROFT

Now ready complete in one volume, with sections, maps, plans and index. A book full of startling incidents and thrilling romance. A matchless work, by an author of great repute, and is so the only history of this section extant.

Agents Wanted

Everywhere. The immense area covered by this volume is rapidly filling up with a intelligent and surprising settlers, who are making their homes. They all want to know the history of the country; we want their friends and those who have business connections with them who do not go there. Here is a country as large as the United States, and this volume must ever constitute the foundation of its history.

FROM \$5 TO \$20 A DAY

can be made by agents. Every one of the hundreds of thousands of people interested in this country, and in the history of the world, one part with another, will buy this book. It is wholly unbiased and though full of startling detail, it is thoroughly sound, practical, and philosophical.

Good earnest workers desiring territory should apply immediately, and in order to secure it instantly send \$1.25 for a complete canvassing outfit, and name choice of territory. Extra liberal terms guaranteed. No experience or capital required, as the book will sell itself if properly presented, and we give our agents thirty days time in which to deliver and collect.
