GRATITUDE TO SAINT MICHAEL.

In a Religious Community of this city a Novice was reduced to great feebleness, by a disease slowly drawing her into the grave. A Novena was made in honor of the Archangel Michael and the Nine Angelic Choirs. Almost immediately, she recovered her strength. Now she is very joyous and grateful for this divine favor, which permits her to continue the exercises of the Novitiate, with hopes of arriving at the happiness of the Religious Profession. As a testimony of her lively gratitude towards the celestial protectors, she desires us to publish the precious favor of which she has been the object.
