MARKET OPENS DULL BUT ASSUMES  
ACTIVITY — LOW-PRICE STOCKS  
FIRMER — WAR EAGLE WEAK.

Montreal, Nov. 14.

During the first half hour there was practically nothing doing, but before the close, business assumed ordinary proportions.

There were nine different issues dealt in amounting in all to 12,500 shares. The majority, however, were transacted in the lower priced stocks, Monte Christo being still a leader in popularity, it continued to show signs of strength and in all probability will continue to do so. The opening sales were made at 8, 1000 shares being sold the remainder, however, sold at 8½, to the amount of 3,000 shares, 8½ was freely bid at the close, the stock being offered at 9.

Big Three was a trifle firmer, selling at 11, 500 shares being sold.

There were sales made in War Eagle at 260 and Republic at 116. Montreal-London also sold at 44 to the amount of 1,000 shares, the last sales being made at 45.

Of the unlisted stocks King sold at 28 and 27½, closing at 28, 2000 shares being sold, and Okanogan, 1000 shares of which sold at 11½.

California remains firm and in good demand at 12½. At the close it was offered at 13, with buyers bidding 12½.

Sellers of Rambler Cariboo were asking 61 and of Golden Star 35.

Morrison was firmer on the recent news to hand from the mine.

There is said to be 30 feet of ore which, owing to its peculiar constituency is very desirable for smelting. It is said to be the best smelting ore in the Boundary district.

The Mother Lode are erecting a large smelter close to the Morrison property of a capacity of 300 tons a day. This will be of great benefit to property holders in that vicinity; it is hoped that smelting will commence early this coming spring.
