A TOWN WITH A BRIGHT FUTURE.—No town in the provinces has as bright an outlook as Amherst. Last week the Amherst Boot & Shoe Co. held its annual meeting, and showed a sale for the year of \$368,000.00. Over \$200,000 of their goods were made in Amherst by their 200 employees. The Robb Engineering Co. employ 100 hands, and their new electric light engines and boilers are having a large sale in Ontario and the west, as the Edison Co., who do the largest business in Canada, are installing them with their plants. Christie's coffin factory employs 40 hands. Work has been commenced on the buildings for the new trunk factory. The car works are about completed and cover a large area. They will give employment to about 250 hands, and expect to do a large business.

**Simply Awful****Worst Case of Scrofula the Doctors Ever Saw****Completely Cured by HOOD'S SARSAPARILLA.**

"When I was 4 or 5 years old I had a serofulous sore on the middle finger of my left hand, which got so bad that the doctors cut the finger off, and later took off more than half my hand. Then the sore broke out on my arm, came out on my neck and face on both sides, nearly destroying the sight of one eye, also on my right arm. Doctors said it was the

they ever saw. It was simply awful! Five years ago I began to take Hood's Sarsaparilla. Gradually I found that the sores were beginning to heal. I kept on till I had taken ten bottles, ten dollars! Just think of what a return I got for that investment! A thousand per cent! Yes, many thousand. For the past 4 years I have had no sores."

Before, I could do no work. I know not what to say strong enough to express my gratitude to Hood's Sarsaparilla for my perfect cure." GEORGE W. TURNER, Farmer, Galway, Saratoga County, N. Y.
