

TO THE TRADE

The prices at which we have been selling Coal Oil for the past two years are now being met by our competitors, presumably on the ground of a reduction in crude. We have always kept in touch with the market quotations at first hands and have yet to hear of any but a very slight reduction which is not sufficient to warrant any change in our prices, and which the expected advance in the course of a few weeks will more than overcome. We are handling the best values in Coal Oils in this country at the present time, and hope to be favored with a continuance of your business.

In these days when so many low grade TEAS are put upon the market, it is a consolation to have

MAZAWATTEE

to sustain the ancient credit of the Herb, and to remind tea drinkers of the delicious China Teas of thirty years ago, which it actually surpasses

The teas of Ceylon are to day the finest in the World, and there is no more representative Ceylon Tea than

MAZAWATTEE

which forms one of the most delightful beverages ever made from the leaves of the Tea Plant
