

“Cases which are reported from the office of the chief medical officer and having a history of exposure are to be examined as soon as possible by the special examiner or at a chest clinic at one of the hospitals or dispensaries mentioned in the notification.

“Cases which are examined by the special examiner or at a chest clinic will have the results of the examination reported to the medical staff of the school as soon as possible. If the child is advised to discontinue attendance at school, the report will state this, and when advised to return to school after absence the child will be given a note to this effect.

“Cases reported by the special examiner, and no others, are to be recorded by the school medical inspector on the children's reference and physical record card, with colored stickers. These stickers are used according to a code supplied.

“Under the heading on the report, “Agencies Interested,” the following are the four principal ones: the parent or guardian, school, family physician, and any recognized professional agency, in the order in which they are to be considered.

“A record of every child examined to determine if tuberculosis infection is present is kept in the office of the chief medical officer. In so far as possible the record of each family will be completed under the following heads:

- Date of the special examination.
- Names of all the children in the family.
- Ages of all the children.
- Family address.
- Name of the school or schools that the children attend.
- Brief history of the exposure: family, house, occupational, time, duration, degree.
- Result of the tuberculin test.
- Number of the X-ray when taken.
- Pathological lesions.
- Diagnosis, and by whom it was made.
- A note as to whether the case has been registered or reported to the Board of Health.
- A note stating by whom the child was referred for examination.
- A note of the child's present physical condition, and of the home and social conditions.
- A note of the recommendations re school and treatment.
- A note of the termination of attendance or treatment.
