## TUFT'S ARCTIC AND SIBERIAN PATENTS

New Designs. New Improvements.

LOW PRICES

AND

EASY TERMS OF PAYMENT.

First class druggists throughout the United States, and many also in Canada, find soda water the most profitable branch of their business.

Every Canadian druggist who does not dispense soda water should at once add an apparatus to his fixtures. It is a beautiful piece of furniture, and will invariably pay for itself in a very short time, usually the first season.

If you have a soda fountain which is not profitable, it is because you have not kept abreast of the times. You can make soda water as profitable as thousands of your fellow druggists make it.

### How to Make it Pay.

I will take your obsolete and perhaps worn out apparatus in part payment for a new one, allowing liberally for it, and will make terms for payment of balance so liberal that in all probability it will pay for itself.

I will provide with the apparatus formulas for all the latest and most popular drinks and hints about all the latest novelties in the business, so that you cannot fail to find a soda fountain a gold mine, as many others now find it.

Canada is to-day the most promising field for a soda water dispenser, who will take pains to produce a high grade of beverages and serve them daintily.

Second hand apparatus in thorough repair at very low prices and on particularly easy terms.

My illustrated catalogue and price list will be mailed free to any druggist thinking of buying.
