## Star Windmill.

Manufactured by E. J. SMITH, TORONTO, is admitted by all men of practical experience to be ahead of all competitors, while it commends itself to every man for its SIMPLICITY, having only three friction points. Other mills require double the number of oil boxes.

SELF-GOVERNING POWER.—Its automatic governor is so arranged that it passes out of the wind in shorter time than any windmill in use, and upon the wind falling returns to its work again. When the tank fills with water the mill turns out of the wind and remains at rest, and upon the water being drawn from the tank it resumes its position again.

DURABILITY.—Every piece is made by skilled workmen and fits perfectly, none but the best material being used. It is the Lightest Running and Most Perfect Mill in the World.

GEARED WINDMILLS, WOODEN AND IRON PUMPS.

Address—21 Mercer Street, Toronto.

## ST. CATHARINES SAW WORKS.

R. H. SMITH & CO.,
