Wholesale Dry Goods.**43 YONGE ST., TORONTO,**

Started this business nearly five years ago, under the firm conviction that a successful business could be done on a much smaller per centage than the usual exorbitant rate of wholesale profits by avoiding the usual system in this country of giving large credit to weak men, and renewing notes indefinitely. The correctness of their first impressions is now proved beyond a doubt by the trifling amount of their losses and the steady increase of their business during the worst of times, their sales by travellers of fall stock this year up to Sept. 1st being 60 per cent. ahead of the same period last year. Their present stock is made unusually attractive by scores of special lines that sold out early, were repeated by cable, and are now in stock again to show for September trade.
