

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short weight, alum or phosphate powders. Sold only in cans.

To our Customers and others:—We large secured during the past winter a very large stock of exceptionally good ice, cut near disland, under the direction of the Board of Health and personal supervision of the medit health Officer, and pronounced to be of cal Health Officer, and pronounced to be of excellent quality, suitable for family, this and office use. We make a specialty of this and office use. We make a specialty of concluses of trade, and say, without fear of conclusion, that there is no better ice put upit this city than what we have in store, no maker by what name it may be sold under. On May the list we commence our regular delivery to all parts of the city.

We here beg to thank our old customers of their kind patronage in the past, again solicit a renewal of their crders for the again solicit a renewal of their crders for the coming season.
