The Honourable Allan J. MacEachen
Deputy Prime Minister and
Secretary of State for External Affairs
Ottawa, Canada

Dear Mr. MacEachen,

I have the honour to submit for your consideration the Department's annual report for 1982-83.

It is submitted in accordance with the provisions of the new Department of External Affairs Act, which required that reports of the department be submitted on a fiscal rather than calendar year basis as in the past.

This report therefore covers the fifteen-month period from January 1, 1982 to March 31, 1983.

Yours sincerely,

Marcel Massé
