

91.07

A change to heading 91.07 from any other chapter; or

A change to heading 91.07 from heading 91.14, whether or not there is also a change from any other chapter, provided there is a regional value content of not less than:

- (a) 45 percent where the transaction value method is used, or
- (b) 35 percent where the net cost method is used.
