

Things in the matter of salaries &c., I shall feel
inclined to ask for a year's leave of absence, both to
attend to our property in the West and to set up the
manufacture of microphones, sound generators &c.

I am delighted to hear that things are getting
along well in the Department - Bill will no
doubt be able to carry on for a little time yet.

Kindly remember me to Mother & friends.

Sincerely yours,

Louis V. King

N.B. Please ~~consider~~ forward this letter to the Acting
Principal for his consideration and that of Cooperators,
Faculty, &c.
