

January 26th, 1933.

Hon. Adelard Godbout,  
Minister of Agriculture,  
QUEBEC, P.Q.

Dear Mr. Minister:-

May I express my appreciation  
of the sympathetic attitude shown by yourself and  
your Deputy, Mr. Grenier, during our interview  
yesterday.

Following on our conversation, we shall,  
in our Macdonald College estimates for 1933-1934,  
count on receiving the total grant of \$50,000, and  
on proceeding with the various projects of investigation  
and research undertaken with the approval and encouragement  
of your Department.

Believe me, dear Mr. Minister,

Yours faithfully,

Principal.
