

APPENDIX.

At the meeting of the Executive Committee on the 4th of July, it was resolved that the Speeches delivered at the Anniversary Meeting should be added as an Appendix to the Report. It was found, however, that a full report of the speeches could not be obtained, so that the Committee appointed to assist the Secretary in publishing the Annual Report, determined to omit them altogether. This is the more to be regretted as the remarks made by His Excellency the Lieutenant Governor were most valuable, and all that was said by the other speakers would have been most interesting to the members of the Society.

In a letter received by the Secretary, dated 22d July, 1862, the Lord Bishop is pleased to say,—

“I shall be fully prepared and authorize you to express my approval of the new object of the Society, as proposed and carried at the late meeting.”

The sum total of the contributions reported for the current year, is as follows :—

2d Object,	\$8 00
5th do.	8 79
8th do.	24 00
9th do.	8 00
General Purposes,	5,521 45

Total,	\$5,570 24
--------	---	---	---	---	------------

There are some parishes from which the returns have not yet been received, and in many instances an additional amount will, it is said, be paid to the Treasurer, though too late to appear in this report.
