

service of God. HE was called "Jesus at first"—and from the time that the *heavens were opened, and the SPIRIT of God lighteth upon "him"*—from that time HE was called "JESUS CHRIST." Jesus Christ signifies the UNION of the TWO NATURES, the one DIVINE the other that of man's—both united in ONE, to save all who would obey the truth. *Jesus is not omnipresent. He is ever in Heaven.*—CHRIST is OMNIPRESENT—Christ is the Holy SPIRIT of God, the *comforter*. See Cor, 12.

What is to follow is a *reprint* of what I wrote, and had printed sixteen years ago in BOSTON. I was living there at that time. I have made no *alterations*, only left out a few words; what I have written about *Melchisedek*, I did not know until of late. If any good is done, give to God all the glory, I have nothing but what I have *received* of his mercy through *Jesus Christ*.
