PAY \$12 or \$35 for
a suit or overcoat---
you will get your money's worth at
either extreme.

BUT---
\$25 buys
a suit or over-
coat worth
more than
double the
value of a \$12 crea-
tion--there are cer-
tain "first costs" in
the manufacture of
either that are iden-
tical.

IT is a com-
mercial truth
you cannot
deny---it's economy rather
than extravagance to buy one of our
\$25 suits or overcoats--you'll get the finest of
fabrics, tailoring and style in them
--as fine as any man needs **\$25**

Senior School defeated their old rivals, the Mulock Cup Game, yesterday. Both teams put up a sterling performance in the Mountain, and it was hard fought from beginning to end.

There is to be a local club league, and the schedule is expected to commence beginning the new year.

McGill have a very strong team this year, as is shown by the ease with which they won from Varsity and Queen's. They are figuring on finding R.M.C. a hard team to go up against and are practicing hard every day. If the day is windy and many things to do with the result, R.M.C. will be able to give a good account of themselves.
