General Adverse Trade Conditions.

"Your directors feel that they would be remiss in their duties did they not call your attention at this time to the danger confronting your company and its affairs by reason of the campaign of Hamilton B. Wills & Co., to gain control of its board of directors. In acting in this matter, remember you have nearly \$200,000 in cash and quick assets that may be jeopardized by your action. MONTREAL, March 3 .- The financial statement submitted to sharehold-"We believe that there is a move-ment on foot to amalgamate a number of properties surrounding the Timis-kaming mine, and that the control of the treasury of your company is sought 000 higher than in 1911, and \$39,695 the treasury of your company is sought for this purpose.

As fixed charges were stationary thru the three years, after the usual amount of writing off, the benefit of increased manufactur-

the benefit of increased manufacturing profits were snown in the net profits available for dividends.

Earnings of \$335,900 were equal to 30 per cent. on the preferred stock, or five times the dividend, and the balance remaining after preferred dividend was equal to 12.15 on the common against a dividend of 4 per cent.

A year ago earnings on the preferred were at the rate of 26.7 per cent. and on the common at the rate of 10.36 per cent. After paying dividends and adding \$100,000 to reserve fund. bringing that account up to \$600,000, the sum of \$522,482 was carried forward to profit and loss acried forward to profit and less ac-count, an increase of \$75,377.

The showing was a particularly gratifying one, in view of the trade recession which affected most industries in the closing months of last year. As to this the president in his report testes that notwithstanding the fact that trading in many of our industries has been somewhat curtailed during the year just closed, our business has more than maintained its usual volume."

The showing was a particularly been that effect.
