RAZORS, OLD AND NEW, ARE ALIKE WELCOME

British Soldiers Enjoy Good Shave and Razors Donated Will Be Appreciated.

That the soldiers appreciate the gift of a razor is evidenced by the letter of assurance which has recently been received by Thomas B. Lee of Toronto. It was written by W. H. Ellis, master cutter, of Cutler's Hall, Sheffield, Eng., and included a copy of a letter written by Lord Kitchener in which he states that the need is not entirely met.

An appeal is made for old or spare razors to be sent to the front. It is a well-known fact that the British soldier takes delight in a good shave and so anything which adds to his comfort is well worth while sending. The razors will be honed and otherwise put into good condition and all contributions may be made to Mr. Lee at 30 East Front street.
