## Note and Comment

The Ontario Jockey Club have sent out entry blanks for the stakes closing March 1 next, showing considerable increase in the money being offered for the King George V. The Ontario Jockey Club has added the sum of \$5000 to the stakes for the King George V. The stakes for the King George V. have been increased by \$5000. The stakes for the King George V. have been increased by \$5000.

At this distance it looks like Lindsay will give Glanford a hard battle on the soft ice this morning. The Grand Rapids and Meaford will also give a hard battle, but the winner of the first two looks like it in any kind of way.

Granites are down and out, but the score does not look like a game participated in by the Granites. John met Col. Robert in the afternoon and the crowd is expected to be very large. The Granites are down and out, but the score does not look like a game participated in by the Granites.

There was hardly the necessary two degrees of frost, but everybody wants to see the Granites. The Granites are down and out, but the score does not look like a game participated in by the Granites.

It is among the possibilities that one of Bob Day's fellow-countrymen may be the white horse to win the crown. Listen to this by a writer in the Glasgow paper: One of these days a man from the north will take up a prominent position among the hopes of Great Britain. I refer to Jim Robb of Glasgow. Robb is a pickering man, very successful, and is making good progress as a boxer. His style is very hard, reach, the necessary incentive, and a big heart. Very shortly he will go south for a trial, and the crowd is expected to be very large. The Granites are down and out, but the score does not look like a game participated in by the Granites.

## Western Cricketers Can Handle the Work of The Canadian C.A.

From The Winnipeg Free Press. Secretary Morrison of the Western Canada Cricket Association, received word yesterday from President Dean of the Canadian Association that the dates for the annual meeting had been fixed for Feb. 28 and 29, and that the meeting would be held in Toronto.

The Free Press learns from a reliable source that the news that the west would ask for the return of the west for the next two years has caused considerable interest to be evinced in the meeting, and that the delegates, as well as prominent cricketers, will be present on that occasion.

At the last meeting A. R. Morrison, who will again represent the west, was successful in getting a rule passed for the control of the C.C.A., and it is hoped that the eastern representatives will accede to the request.

In 1912 the Western Canada tournament will be held in Winnipeg, and efforts will be made to have old rivals from Chicago and Minneapolis here at the same time, so it is to be expected that the west and it is bound to be a great factor in the advancement of the game.

The older cricketers of the west, and the east should, therefore, consider the west the newer centre in the west, and thus assist in helping the great old English game along.

That the western cricketers can handle the work of the C.C.A., and it is hoped that the eastern representatives will accede to the request.

On Wednesday night, at 7:45, at the Excelsior rink, Upper Canada College and the Frontenacs will meet for the second time this year. A large crowd of college boys will be in attendance, also a number of friends and grade. Arrangements have been made so that St. Andrew's, who will meet for the first time, will occupy the space downstairs on the west side of the rink, while the U.C.C. boys will be on the east side. The end, St. Andrew's, will be for ladies and their escorts.
