

FOOD PROFITTEERS HIT BY CASGRAIN

(Continued from Page 1)

cause which would reduce the cost of living which had been enhanced by the war. The tariff changes were, therefore, a proper remedy to apply during the reconstruction period. He said the cost of living was making people uneasy and dissatisfied.

Edmund Proulx of Prescott, in supporting the McMaster amendment, said he was prepared to go as far as the member for Red Deer (Dr. Clark) in making tariff changes.

Mr. Johnston of East Mountain expressed his dissatisfaction with the budget proposals, while Col. Lang, of Humboldt, intimated that he was still a strong supporter of the Union government and its measures.

Major W. B. Cowan of Regina, moved the adjournment of the debate and will be the first speaker on Monday.

D. D. McKenzie, opposition leader, is also on the Monday list of speakers.

Cannon Criticized.

Dr. H. P. Whidden of Brandon resumed the debate on the budget. He said he wondered when listening to the member for Dorchester (Mr. Cannon) last evening, why a member of parliament who gave such a glowing account of the progress of the war in Germany in 1917, could be so interested in English precedent as he appeared to be. In attempting to discount the work of the prime minister and other members of the cabinet at the peace conference, he had used the expression "have we not made enough sacrifices?" Dr. Whidden said he could not understand the significance of the word "we." "We" were supported by eight men.

The member for Brandon then went on to discuss the industrial situation. He said that part of the unrest was a wholesome desire for the recognition of rights that should be free to all, but part of it was the expression of diseased imaginations.

Honor True Labor.

Those who say the Bolshevism an uprising of the soul of the common people were making a mistake, in the opinion of Dr. Whidden. There was, he said, no labor and it should be honored and given its right. But there was also "rank redism," and it, unfortunately, sometimes got mixed with labor. If the laborer were willing to work thru the present difficulties in a spirit of fairness, the final result would probably be advantageous to the country.

Dr. Whidden said he wished to support a resolution submitted to the government by the G. W. V. A., asking that a general conference on the industrial situation should be held.

As a westerner Dr. Whidden said he felt grateful for much in the budget, although naturally wishing that some further concessions could have been made. But he did not see how all the reductions could have been made in the tariff this year that had been looked forward to.

Casgrain Scores Profiteers.

Mr. Casgrain criticized the government for "being asleep when the whole economic life of the country is paralyzed." He considered that the industrial unrest was due in the main to the high cost of living, and he saw no reason why butter, for instance, should cost more today than it did a year ago. They handed the food profiteers in Bohemia, but in Canada they gave them titles. Protection was at the root of many of the national troubles. It created privileged and anti-social classes.

Dr. Edwards of Frontenac said he did not propose to argue with Mr. Casgrain as to why the enlistments in Quebec were not greater in proportion to the population of that province. He joined with him, however, in paying a tribute to those French-Canadians who fought overseas.

Dr. Edwards expressed the view that this was not the time for a general revision of the tariff. He strongly contested Mr. Casgrain's statement that there were abandoned farms in Ontario. Dr. Edwards claimed that within the last decade farms had increased. In the ten years from 1910 to 1914, the value of the farms, buildings, live stock, etc., had increased by \$187,000,000.

Attacks Retail and Grocers.

Dr. Edwards, after 9 o'clock, turned his attack upon Hon. T. A. Crerar, declaring a minister of agriculture for the last 18 months, and was chiefly responsible for the high cost of living. He himself claimed that prices of food were high primarily because of the relation between world supply and world demand. However, there were companies operating in foodstuffs which had made enormous profits. One of these was the enormous Greiner's Grain Company, which owned and operated 300 elevators, and of which Hon. T. A. Crerar was president.

Mr. D'Anjou of Rimouski declared that Canada was face to face with bankruptcy. "I believe," he said, "that this deplorable financial condition is due principally to unreasonable participation in the war."

PREMIER ORLANDO LEAVES FOR ITALY

Paris, June 13.—Premier Orlando of Italy left for Rome last night, intending to confer with the parliamentary leaders in secret relative to the work of the peace conference and to settle certain urgent questions, notably those concerning military precautions contemplated on the Casimian frontier. General Diaz, commander-in-chief of the Italian armies, accompanied Premier Orlando and will be in personal command of the frontier. In the absence from Paris of Premier Orlando, his place was taken on the council for four today, by Baron Sonnino, the Italian foreign minister.

Favor France or Britain For Mandate Over Turkey

Paris, June 13.—There has been no communication as yet between officials of the peace conference and the Turkish delegation which is at Yauceson under French supervision. The restrictions about the Turks are the same as those at St. Germain and Versailles.

The Turks, it is understood, stand firmly for the retention of the Ottoman government in Constantinople. They are divided about equally as to whether France or Great Britain should have the mandate for Turkey. There has been no mention of the United States in this connection. It is understood.

YORK COUNTY AND SUBURBS

DANFORTH RATEPAYERS HOLD OPEN AIR MEETING

Seek Immediate Hydro Lighting and Road Repairs for District.

A well-attended open air meeting of the Danforth Park Ratepayers' Association was held on W. Curtis' lawn last evening, when the question of a peace celebration for the district was discussed, and it was decided to hold same in August, on Civic Holiday, with a picnic and sports in Danforth Park.

W. Curtis reported the matter of road repairs and his interview with the York township council. He stated that owing to the illness of the roads commissioner the work was delayed, and will now be proceeded with.

Hydro-electric lighting in the district was discussed at considerable length. D. McCarthy pointed out that a committee was appointed to interview the Hydro officials regarding the demand for guarantees from the ratepayers previous to installation, and that an effort should be made to have the matter settled immediately. The question will be further discussed at the next meeting.

The matter of a community hall and playground for the children was also discussed. The secretary stated no further communication was received from Hon. Geo. S. Henry, who promised to notify the association and report progress.

The York township council will be asked to secure a site for a playground in the section before all the available land is sold for building purposes. Other matters touched upon were school accommodations at Second and Gedhill avenue and the York township housing commission.

The chairman expressed the hope that the township housing commission would move with greater rapidity in the matter of housing the homeless than the Toronto housing commission.

PLAINS ROAD PICNIC.

The annual picnic of Plains Road School (S.S. No. 7) will take place at Thorncliffe Plains on June 25. Robert MacGregor, treasurer, and an executive committee are working strenuously to make the picnic the event of the year.

COL. WARREN EXPECTED.

Lieut.-Col. C. A. Warren, C.E.F., No. 16 Field Ambulance, Siberia, is expected to arrive in Toronto tomorrow.

Col. Warren, who was for many years a medical practitioner in the St. Clair avenue district, where his brother, ex-Ald. J. M. Warren, still resides, met eventually in England. His home is at Elm Grove avenue.

RIVERDALE WILL FIGHT TO GET BACK ONLY PLAYGROUND

"What are our ward aldermen doing to allow the supervised playground at the corner of Rhodes ave. and East Gerrard street to be taken away from the children of the Midland district?" queried an indignant mother of a large family to The World yesterday, who added that the civic authorities are catering to districts more favored with the world's goods than those in the Rhodes avenue section.

The matter has been brought to the attention of L. W. Mullen, president of the Riverdale Ratepayers' Association, who will take immediate action. Mr. Mullen points out that children will not go along to Roden playground, and there is no one to accompany them, and mothers will not let them cross the car tracks.

"The residents should have been consulted as to their wishes by the civic authorities, before removing their playgrounds."

"DEVIL'S HOLLOW" HELD UP.

What is holding up work on the "Devil's Hollow," East Gerrard street is the question which is troubling the minds of the Riverdale residents.

"The work should be well advanced by now," said an East Gerrard street resident, "but not a move has yet been made by the works department." George Smith, secretary, and L. W. Mullen, president of the Riverdale Ratepayers' Association, who have been prominent in the matter of the stand the delay, cannot understand the executive has been called to investigate the matter.

"BLOT ON CIVILIZATION."

"The execution of Frank McCullough in my opinion, is a blot on the civilization of Canada," said Mrs. R. B. Nelles, wife of Rev. R. B. Nelles, pastor Western Congregational Church, and spiritual adviser to the late Frank McCullough, speaking to The World yesterday.

Rev. R. B. Nelles will have a communication prepared for the press regarding the matter, within the next few days.

BEACHES HELPING BILL DIES.

Good progress is being made by the residents of the Beaches district, who have taken the case of the disabled soldier, Bill Dies, in hand to provide him with a future means of livelihood. The Beaches hockey team collected a sum of \$2000 and brick and building material was furnished by others. Bricklayers and artisans furnished their labor free in order to erect a store front to his residence at the corner of Waverley road and Queen street, where a stock of tobacco and sundries will be furnished and the veteran started in business.

Mr. Dies lost both eyes and legs in the battle of Vimy Ridge.

EARLSCOURT WILL MEET IN SCHOOL.

The new branch of the Fairbank G.W.V.A. has obtained permission from the board of education to hold their regular meetings in the Fairbank Public School, Charles T. Lacey, late secretary of Earlscourt G.W.V.A. is the new secretary, and meetings are likely to be held on Friday evenings.

COMRADE WINES SICK.

Comrade Joseph Wines, organizer of the Earlscourt branch of the G.W.V.A., is still on the sick list and unable to attend to his duties. The doctor advises complete rest. Mr. Harry Wines, a son, recently returned from the front and is now at home.

NEW BUSINESSES OPEN.

New businesses still continue to open up on St. Clair avenue, the latest being Douglas's, the general manager of the W. J. Keens Clothing Company of Toronto. He will open up a large clothing and gentlemen's furnishing store. Another dealer is to locate here, a furrier and a milliner.

CHOIRMASTER RESIGNS.

W. H. Harper has resigned his position as choirmaster of St. Chad's Anglican Church, North Dufferin street, Earlscourt. This church is entering on a plan of extension to accommodate a larger congregation. Mr. Harper lost his son in the war and is an official of the British Imperial Association.

G.W.V.A. CONCERT SOCIAL.

Under the joint auspices of the ladies' auxiliary and the Silverthorn G. W. V. A., a concert-social was held last night in the basement of the Calvary Church on Silverthorn avenue. Alex. MacGregor, barrister, occupied the chair and gave a short address on the brotherhood of man born of the war, taking the words from Sir Douglas Haig's recent speech at another general assembly in Scotland. He congratulated the veterans and the lady helpers on the fine spirit of comradeship existing and hoped the result of the concert would bring a substantial sum to the building fund for the new memorial hall about to be erected in Silverthorn, which, when completed, will be the first in Toronto.

MAYOR TO OPEN FAIR.

Mayor Church has been asked to officially open the second Earlscourt fall fair, to be held immediately after the National Exhibition in September. Last year Sir William Hearst was invited, and he is the honorary president of the fair. A special boxing stunt is to be held this year on the grounds for amateurs, and several other new features.

REV. PETER BRYCE BACK.

Rev. Peter Bryce has returned to Earlscourt from Atlantic City, and resumed his ministerial duties at the Earlscourt Central Methodist Church, and will preach on Sunday next. The Episcopate last evening, and social at the church last evening, and addresses were given by members of the league.

B.I.A. BOYS' BRASS BAND.

The members of the boys' brass band of the British Imperial Association, held their regular Friday night practice in the Regal Road Public school, under Bandmaster James Greenwell. The boys are making progress, and now have their complete uniform and a full musical equipment. Those, Snary, secretary, is in England on a visit to his parents, and is expected back in Toronto at the end of the month.

NEWMARKET THREE DIE FOLLOWING BOILER EXPLOSION

Three of the fourteen persons injured at the cane factory at Oakwood on Thursday, died yesterday, as a result of injuries sustained when a boiler burst.

Chas. Eade, 35 years of age, a machinist, succumbed at 10:30 yesterday morning, and Nellie Maseo, a young girl of 15, died at 7:30. Both had been taken to the Toronto General Hospital suffering from contusions and severe head injuries.

The third victim, Alfred Bishop, died at his home at Newmarket about nine yesterday morning. Two of the other three were severely burned and bruised during the accident.

No explanation of the affair can be given and an inquiry was opened last night to determine the cause of the explosion. Ten other employees were injured but are progressing as well as can be expected.

WEATHER IS HUMID, BUT NOT EXTREME

Humidity rather than intensity of heat characterized yesterday's weather in Ontario, although both Parry Sound and London registered temperatures above 90 in the shade. So far as temperature was concerned Toronto was not broiling, but was decidedly paragoned. The average in temperature was exceeded, however, by 13 degrees. Maximum temperatures throughout the Dominion ranged all the way from 60 at Prince Rupert to 92 at London, 85 and 46 at Calgary, Edmonton and Battleford.

Probs for today are, not alluring, and Torontonians may look for a day or two yet.

THE BAROMETER.

Time	Barometer	Wind
8 a.m.	30.1	Cal.

Maximum	74	
Minimum	60	

The Trans-Canada Limited, the Canadian Pacific's new all-sleeper car train, leaves Toronto 7.15 p.m. daily. Arrives Vancouver 10.00 a.m. fourth day. Saves a business day on trans-continental journey. Participants from Canadian Pacific ticket agents.

KEW BEACH LIBERAL-CONSERVATIVE PLAN ANNUAL PICNIC

A well-attended meeting of the Ward Eight Liberal-Conservative Association executive committee was held in Kenilworth Hall, corner of Kenilworth avenue and East Queen street, last night, when reports of the various committees in connection with the annual picnic to be held in Scarborough Beach Park on Saturday, June 21, were received.

T. Murphy stated that promises to attend were received from Sir William Hearst, Henry Ferguson, Thomas Foster, M.P., and others. A communication was received from Dr. Field, regretting that Sir Robert Borden would be unable to attend owing to pressure of business.

Ald. Baker stated that over 20 events have been arranged and 200 prizes secured for the children. The East York veterans' band will furnish the musical program.

T. Stephenson, vice-president, occupied the chair. There was a fair attendance.

LACK OF LAVATORIES

The residents of the Beaches in the Woodbine district are complaining for the lack of lavatory accommodations for the large number of visitors who patronize the district during the summer months.

"It is positively disgraceful the lack of these conveniences for women and children," said J. Lennox, a well-known resident who pointed out that the civic authorities are lacking in their duties to the citizens.

NORWAY WELCOMED HOME.

Major (Rev.) Baynes-Reed, C.E.F., rector of St. John's parish church, Norway, who recently returned from overseas, was accorded an enthusiastic welcome at St. John's parish hall, when congregational reception was held. Many members of the 15th Battalion, residents of the district, were also present and a very enjoyable time was spent. The hall was tastefully decorated with flags of the allies and bunting and a high class musical program was rendered. Several prominent residents of the east end were also present.

MARKHAM GOOSEWHEAT CAME UP ONE YEAR TOO LATE

In the spring of 1918 John I. Baldwin, rector of St. John's parish church, Markham, who recently returned from overseas, was accorded an enthusiastic welcome at St. John's parish hall, when congregational reception was held. Many members of the 15th Battalion, residents of the district, were also present and a very enjoyable time was spent. The hall was tastefully decorated with flags of the allies and bunting and a high class musical program was rendered. Several prominent residents of the east end were also present.

PLANS FOR CEREMONY FOR SIGNING TREATY

(Continued from Page 1)

It is expected that the ceremony will be timed to begin about five o'clock in the afternoon. There will be speeches by Premier Clemenceau as chairman of the conference, and by the head of the German delegation. The actual work of appending the signatures of the representatives of all the warring nations will occupy them well over an hour, and it is expected that at least two hours of daylight will remain during the long summer evening over many of the fountains distributed during the war.

William Hearst will play for the admiration of the delegates and spectators. The money will leave in charities after the opening of the terrace, from a portal of the fountains are visible. The German delegates, no longer regarded as enemies, will walk along with the other plenipotentiaries.

REBELS PREPARING TO ATTACK JUAREZ

El Paso, Texas, June 13.—A courier who arrived late tonight from the rebel headquarters near Zarazosa, less than 13 miles from Juarez, reports the rebels have 4000 men, all armed with rifles and each man supplied with 300 rounds of ammunition.

Two field guns and eight machine guns are included in the rebel fighting equipment. At the time the courier left the camp the intention was to attack Juarez before daylight tomorrow morning.

FIX HUNGARIAN FRONTIERS.

Paris, June 13.—The council of four has approved the propositions submitted by the council of foreign ministers for fixing the Hungarian frontiers bordering on Rumania and Czecho-Slovakia.

NEW ALL SLEEPING CAR TRAIN TORONTO-WINNIPEG-VANCOUVER

The Trans-Canada Limited, the Canadian Pacific's new all-sleeper car train, leaves Toronto 7.15 p.m. daily. Arrives Vancouver 10.00 a.m. fourth day. Saves a business day on trans-continental journey. Participants from Canadian Pacific ticket agents.

Better Spark Plugs For Every Purpose

There is yet to be found a type of motor, a condition, use or industry, where spark plugs are required, that has not been served successfully and efficiently with Champion Spark Plugs. In aeroplanes, where dependability marks the balance between safety and death. In high and low powered motor cars. In low speed tractors with heavy load. In gas engines on farm or in factory. In speedy motor-cycles or motor boats, and in the slower moving trucks, with ever-changing load and road conditions, a "plus service" is rendered by

Dependable Spark Plugs

This "plus service" is the result of ten years of constant study and experiments which produced the "Champion" No. 3450 Insulator. This insulator has demonstrated its ability to withstand shock, vibration and quick temperature changes to a degree that makes it practically indestructible.

Our patented Asbestos Lined Gaskets are another exclusive feature that cushion the insulator, absorb heat expansion and eliminate compression leaks. When you see "Champion" on the insulator "that's the plug" that will give efficient service under any condition that the motor itself will withstand.

Dependable service, satisfaction and economy are "built-in" qualities of every "Champion" and are backed by our guarantee of "Absolute satisfaction to the user or full repair or replacement will be made."

Sold wherever Motor supplies are sold
Champion Spark Plug Co. 63
 of Canada Limited,
 Windsor, Ontario

WINNIPEG STRIKE OUTLOOK GLOOMY

(Continued from Page 1)

City and special police, aided by provincial and federal police organizations, have started a round-up of the men who were responsible for the rioting which took place on the city streets Tuesday and Wednesday. Several of these organizations, that respect the law, are now under arrest. Warrants were issued for three more this afternoon. Other rioters may be apprehended later, the police assert.

In an open letter to returned soldiers and the G.W.V.A., William Eadie, who had been one of the association's representatives on the general strike committee, says:

"There is no getting away from the fact that the cause of the trouble fundamentally did not originate in Winnipeg," and he declares that the returned men who are supporting the sympathetic strike are the "goats of a propaganda that seeks the destruction of everything constitutional."

"It is a gross abuse of the freedom of this country to permit Bolshevism to tolerate the activities of these aliens, who believe in the destruction of everything constitutional."

"The Bolshevism is an undesirable alien of the most pronounced type. With his diseased mind he is even more dangerous than the alien with a diseased body. Put him out of the country and keep him out."

"Labor and capital should be partners," Mr. Beattie affirmed, "not enemies."

Vote for Strike.

Officials of the Winnipeg Switchmen's and Trainmen's local announced this afternoon that they had voted to go on strike at 6 o'clock tonight. It is believed the action of the trainmen will severely cripple freight service to and from Winnipeg, and may handicap passenger transportation.

Arrests Made.

Special service officers of the special police force in the afternoon arrested Carl Bousse, a Russian Pole, who, it is stated, has been identified as having attempted to draw from his horse a mounted constable about the time that Sgt. F. G. Coppins, V. C., was beaten up.

Captain Dunwoodie, in charge of the mounted squadron, yesterday afternoon got information of an undependable alien who is alleged to be implicated in the Coppins case. A patrol of three was detailed and with

YORK TOWNSHIP

NOTICE is hereby given that a Bylaw (No. 471) was passed by the Municipal Council of the Corporation of the Township of York on the 6th day of June, 1919, providing for the issue of debentures to the amount of \$15,000 for the purpose of enabling the Board of Public School Trustees, School Section No. 27, to land for the enlargement of the present school site in said section, and that such Bylaw was registered in the registry of the County of York on the 6th day of June, 1919.

Any motion to quash or set aside the same, or any part thereof, must be made within three months after the 7th day of June, 1919, the date of the first publication of this notice, and cannot be made thereafter.

Dated this 7th day of June, 1919.

W. A. CLARKE,
 Clerk of York Township.

TORONTO ISLAND DELIVERY.

Delivery of The Morning World a Hanlan's Island Centre Island and Ward's Island will resume on May 1st. An early and efficient service is assured. Orders telephoned to Main 5308 will receive prompt attention.

Cars Not Running.

The worst inconvenience under which citizens suffer is the absence of street cars and this has been emphasized during the past two days by torrential rains. Rusted ribbons of steel demonstrate the failure of the Winnipeg Electric Railway to reopen a service. The financial position of the company is such that it is doubtful whether it has either the means or the will to take decisive measures to resume service.

There is a good deal of street talk as to the city being perhaps compelled to take over the operation of the street car system.

Citizens with cars pick up as many pedestrians as they can and there is a limited jitney service at high price, but most of the people walk to and from work, and after a month of this it becomes decidedly tedious.
