Latest Guns Needed.

Capt. England of Montreal spoke on the necessity for more adequate equivalent of garrisons. If the artillery in Canada were to be built up it was absolutely essential that the guns employed should be of the latest and most improved kind. In the event of the Government voting money for this purpose, it should be expended in the most judicious manner possible, and none but first-class guns should be purchased.

Whiskey Nerves—Tobacco Nerves.

The trembling nerves of the alcohol slave, the shaking hand, blurred vision and witching muscles of the victim of narcotism, are self-evident facts. The agony of self-abasement following a debauch; the vacant memory and irresolute mind that spoil even the most capable men for ordinary business, and make them the easy purpose, it should be expended in the most judicious manner possible, and none but first-class guns should be purchased.

Compliment to Lord Aberdeen.

Compliment to Lord Aberdeen.

Lieut.-Col.King of St.Catharines moved a vote of thanks to the Governor-density of the great interest he had manifested in the association by attending its meetings and donating cups for competition. The motion carried unanimously.

Lod Aberdeen said he fully appreciated the compliments paid him by the association. In donating the cups for competition he had done so because of his appreciation of the association. The Canadian teams at Shoeburyness had won laurels for this country and exhibited wonderful skill.

New York, Feb. 11.—The death of the Rev. William A. Hitchcock, one of the best known divines of the Protestant Episcopal Church, occurred yesterday at the residence of his sister-in-law, Mrs. John Shoenberger. Two years ago, when pastor of the Church of the Assumption in Buffalo, Dr. Hitchcock was knocked down by a trolley car and his death is indirectly due to this accident. Since it happened he has been subject to paralytic strokes, and one of more than usual severity culminated in his death.

METALLIC CIRCUITS SOUND-PROOF CABINETS.

The above brewery, rebuilt in 1893, is pronounced by competent judges to be the most complete in Canada, and unsurpassed in America.

The refrigerating plant referred to in a former notice is now fully completed, together with the water tower, gradework. attemperators, refrigerators, etc., etc., all operated by the De La Vergue System, which is working admirably.

The public are cordially invited to call and inspect the various works, and we promise that they shall be well repaid, as the above system is the most perfect in existence, and the only one, so far, erected in Canada.
