## Work of Women at Fair Fine Art of Doukhobors

There is a homelike air about the said the male members are equally exomfortable women's building that pert mechanics, ago. The patch work is most notable for the eleverness with which the aged hands have concealed rents in threadbare garments with that pride the old observations to the writer by Captain observations. household economics. But the big hall W. F. McMaster. He was the first is crowded with articles in clay modelling, painting, pyrography, cakes and breads, and similar articles, the work of women, without regard to age, but conception was primitive, he explain the counterpanes and "rag" carpets while remarking that he was just of women, without regard to age, but conception was primitive, he explained, in the counterpanes and "rag" carpets is the old school best represented, Mrs.

J. A. Stewart is superintendent, and never tires showing visitors around and reach present proportions. For the

many of forty years by the force of his personality. Long before his death his health was a common subject of discussion, and in the election of 1887 it was alleged that he would retire and that in voting for him the people were really voting for Tupper. In this kind of personal reign, Sir John Macdonald was succeeded by Sir Wilfrid Laurier, and he now seems to be the subject of the same kind of rumors.

The remedy for this is to attach less importance to persons and more to principles. Goldwin Smith has said that the love for scandals about arisimportance to persons is "inverted flunkey" inverted hero-worship.

The gossip about the health of both Manuschild in the case devoted to the hand work of the Doukhobor women of the North the Case devoted to the hand work of the Doukhobor women of the North the Case devoted to the hand work of the Doukhobor women of the North the Case devoted to the hand work of the Doukhobor women of the North the Case devoted to the hand work of the Doukhobor women of the North the Case devoted to the hand work of the Doukhobor were stellers are devoted to the hand work of the Doukhobor women of the North the Case devoted to the hand work of the Doukhobor women of the North the Case devoted to the hand work of the Doukhobor women of the North to Hample of the North was alleged than the were embets when he sawages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the continent, yet here is some of the savages that Columbus found on the Continent, yet here is some ism." The gossip about the health of political leaders may be described as inverted hero-worship.

\*\*CANADIAN LAKE PORTS.\*\*

The Fort William Board of Trade complains that the World in nearly every case mentions Port Arthur as the proposed terminus of the Grand Trunk Pacific. We think that as a rule in discussing the question, we have used some such phrase as "the west and of Lake Superior," and we certainly had no intention of discriminating between one port and the other, and we have pleasure in publishing what the Secretary of the Fort William Board of Trade says:

Fort William has every chance of getting the new Trans-continental Road to locate its terminus at Fort William the Fort William Board of Trade says:

Fort William has every case mentions Port Arthur as the proposed terminus of the Grand the Minister of Education.

\*\*CITY SCHOOLS REOPEX.\*\*

Inspector Hughes was called upon to that they would be unable to present themselves. There were 26 regular absent, ten of whom had failed to present themselves. The teachers yesterday morning to discuss the work of the command training music, drawing and good results are more almost accomplaint of the command and present the grand stand.

\*\*ONE TOUCH OF EMPIRE MADE\*\*

THESE NATION BUILDERS KIN SIR JOHN'S LAST APPEAL, Inspector Hughes as along the command and the fire would be unabled to locate its terminus at Fort William on the grand dian Pacific Railway, who have the discess in domestic continental Road to locate its terminus at Fort William on the grand dian Pacific Railway, who have the discess in domestic continents flow to locate its terminus at Fort William on the grand dian Pacific Railway, who have the discess of the command and pacific Railway, who have the discess of the grand dian Pacific Railway, who have the discess of the command and the grand stand to work of the command to the proposition of the command to the command to the control of the comma
