The disobedience of our first parents and the fulfilment upon them of the divine sentence, "Dying, thou as is he, nor as responsible as is he, shalt die," has involved a race whose numbers now approximate probably twenty thousand millions, a groaning reation, suffering under the sentenceof death thru its effects upon their minds, their morals, their physical cial op others. systems. Thus our Lord Jesus de-clares of Satan, "He was a murderer

from the beginning and abode not in the truth." (John viii., 44.) He field to our first parents, and thru that de-passion of God for his human creaception he brought them under the divine death sentence, and thus is the murderer of the entire race

murderer of the entire race. It is not necessary for us to determine that Satan's original lie was of full determination to misrepresent. He . told our first parents that he would be their real friend and guide them to greater knowledge; that God, their Creator, was selfish and that the pro-

hibition of the fruit of the tree gof knowledge of good and evil was a deliberate atempt on God's part to keep them from useful and profitable knowledge because He did not want knowledge because He did not want them to so closely approximate His own wisdom. It is possible that as the human mind, getting out of ac-cord with the Lord, might deceive it-self, so Satan's mind, poisoned by pride and ambition, may have reached the false conclusion that God was really working against the best in-terests of our first parents and their race. It matters not which view we take, in either event Satan was a liar and deceiver and thereby was our murderer, as our Lord pointed out.

It is fair to suppose that some of these fallen angels are of repentant We are not to expect that Satan will meekly submit. Instead we should unmind and sorry for their sins and that they no longer strive against the diderstand that while this name, Satan, vine regulations and hence have spe-cial opposition from Satan and the applies to our personal adversary the Devil, it covers in a general sense all the influences for evil and unrighteous-The Apostle distinctly shows us that the death and resurrection of ness in the world, however ignorant some of his dupes. ## I WANT TO TALK TO YOU ABOUT THIS BEL

I want to talk to men who have pains and aches, who feel run down physically, who realize that the old "fire" and energy which was so evident in youth is absent now: men who can't stand the amount of exertion they could years ago. I want you-if that means you-to see what I have done for others who were just as bad off. That's my introduction. If a friend in whom you have confidence presented some one to you and said: "Jack, here's Brown; he has made good with me and I trust him," wouldn't you trust him, too ?

Now, if you don't feel right, I can cure you with my Electric Belt. If you are full of Rheumatic Pains, I can knock them out. I can pour oil into your joints and limber them up. I have often said that pain and electricity can't live in the same house, and I prove it every day.

I don't ask any one to buy my Belt on speculation. I don't ask you to take any chances of a failure. I take all the chances of curing you. If you are suffering from RHEUMATISM, LAME BACK, LUMBAGO, SOLATICA, VARIOO-CELE, NERVOUS DEBILITY, CONSTIPATION, LOST ENERGY, resulting from exposure and excesses in young and middle-aged men, write to me. Offer me reasonable security and I will make a Man of you, and you can

## PAY WHEN CURED.

"Say," said one of my patients a few days ago, "I feel so good that if I feit any better I think I would hurt That's the way you ought to feel, just chockful of youthful energy. My Belt will make you feel like that. somebody." It builds up broken-down men, restores youth and vigor, and makes you look and feel strong. It will cure every

case of Rheumatism, Nervous Debility, Weak Stomach, Kidney and Liver Troubles, Lame Back, Sciatica, and every evidence of weakness in men and women. It will not fail; it cannot fail, as it infuses into the weakened parts the force of life and strength.

One thing every man ought to know is this : Your body is a machine. It is run by the steam in your blood and nerves. When you begin to break down in any way you are out of steam. That's just what I want to give you back.

Tell me your trouble, and I will tell you honestly whether I can cure you or not. If I can't cure you, I don't. want your money. I have been in this business 26 years, and I am the biggest man in it to-day by long odds, and I am growing yet, because I give every man all he pays for.

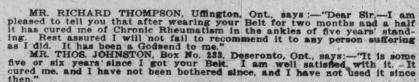

Now, wouldn't you rather wear my life-giving appliance while you sleep every night, and feel its glowing warmin couring into you, and feel yourself taking on a new lease of life with each application, than to clog your intestines up with a lot of nauseous drugs ? Surely. Try me.

Dr. M. .....ughlin: Dear Sir. —Before buying your Belt I had Sciatica so bad that I was un-able to walk across the floor. Being persuaded by my family to try one, al-though I had no faith in it myself. I consented to get one, more to stop them from bothering me, as I had given up all hope of ever being able to walk again. After using the Belt one hour I was able to walk across the room, and in three days I could walk outdoors. Now I claim I am soundly cured, giving Dr. McLaughlin's Belt all the credit Fours truly.
