R. steamship *Montana* sails from Antwerp today three to this port with a large passenger list and general cargo. Will Mrs. J. McMillan kindly call at the Times Office and receive her glasses which were recovered through a Times lost ad. British steamship *Berwick*, now in port from Port Hurdings, G. The West India steamship *Oruro*, Captain Sealey, cleared the Custom House today and will leave port tonight or tomorrow morning for Halifax and West India with a general cargo. It was decided to hold the first smoker of the season at the club rooms on Thursday evening, the 29th inst. The axe which Detective Killen found in Father Kelly's barn, and which was supposed to have been used in the murder of Miss Mary Ann McAuley, the priest's cousin, has been placed by the attorney general in the hands of Dr. G. A. B. Addy, who will make an analysis of the stains. Alphonse Wanger, the Frenchman who has caused so much trouble in various parts of the province, and who ran away recently from A. He was handed over to Patrolman Gosline, who locked him up. The question of the nationalization of the port of St. John is receiving the attention of sub-committees of the city council and the board of trade. The committee from the council is preparing a statement of the revenues of the harbor which will be submitted to the government. The board of trade committee is waiting for the completion of this report and when it is complete a joint meeting of both will be held. After all this murky weather and chilling rain Jack Frost will step in and make things good and wintry. Then the old Vic. ice rink will be opened and the true Canadian pastime will be on tap to everybody. But before the immense interior is flooded the rink management will hold a grand series of roller rink entertainments as a fitting close to a remarkable season of summer and autumn skating. Friday night of this week there will be dancing after the regular band programme; Saturday night there will be a programme of races, and next Tuesday a carnival is the feature.

AT THE OPERA HOUSE

The Ellis Stock Company last night produced "Lost Paradise" in a very pleasing manner. It is by all odds the most popular offering the company has yet made and the members of the cast showed to much advantage in it. The second act is a particularly good one with a very strong dramatic climax. Miss Aubrey did first class work in the lead, while Lee Koolher scored as Ben Warner. The other members of the company gave excellent support. Miss Longfellow's vocal specialty between the acts was well rendered and drew a hearty encore. The same bill will be repeated tonight.

THE WINTER A BUSY ONE

May Have 130 Steamship Sailings From Port of St. John

SITUATION REVIEWED

Four Steamers Now Loading for Various Ports—Schooners Windbound—Potatoes for West Indies—Big Grain Trade.

Along the harbor front affairs have been rather quiet for the past week, on account of the recent storm along the coast, which has detained sailing vessels of every description. There are at the present time four ocean steamships in the harbor, all taking outward cargo. The *Battle Line* *Onaxa* is about ready for sea, bound for a port in the United Kingdom with a cargo of deals. The *Purvis* steamship *Almeriana* is loading for Liverpool with a general cargo. The *Donaldson* liner *Imperial* is loading a general cargo for Glasgow. This steamer will go via Norfolk, Va., to finish loading. She will sail tomorrow. The *Oruro*, which landed a cargo here from the West Indies, is at the Corporation Pier taking in a general cargo for the south, including a large shipment of potatoes. There is also a large fleet of schooners waiting for favorable winds to sail for ports of destination in the United States. Next week the winter port business will commence to boom. The first vessel will be the steamship *Alcidas* of the *Donaldson* line, unless the *Allan* turbine steamship *Virginia*, due at Halifax next Saturday, should come here. Already grain has commenced to arrive from the west, and a large amount is now in the elevator at the wharf side. Last year nearly seven million bushels of wheat went forward, and the total is expected to reach that or more this season. The indications point that way. The coming season, no doubt, will be a busy one along the harbor front. Looking at the number of sailings scheduled for different lines coming here, it is estimated that over 130 steamers will leave this port with full cargoes for United Kingdom and other places. The immigration office here expects to have a busy season. Representatives of the C. P. R. and other lines say the applications for tickets are rapidly made and they are preparing for a big passenger traffic this season. The immigration office on the west side is now in the best shape for doing business. A heavy general freight business both going and coming is expected.

WEDDINGS

R. express this evening for a trip to Boston, etc., and on their return will reside at 37 Leicester street.

A very pretty wedding took place at 3:30 o'clock this afternoon at the bride's home, Millidgeville, when Miss Lottie Harrington was married to George Gibbon, of Charlottetown. Rev. David Hutchinson, pastor of the Methodist church, officiated and relatives and friends of the bride and groom, were in attendance. Mr. and Mrs. Gibbon will leave by tonight's train for a honeymoon trip to Montreal and other Upper Canadian points.
