

In consequence of the extended space occupied by the Report of the Ontario Rifle Association, and the meagre and incomplete returns of Affiliated Associations, it has been found impossible to publish any Addenda this year. The reports of prize meetings of Affiliated Associations, if furnished in time, will next year be added to that of the Ontario Rifle Association.

It is to be regretted that a correct record of the *Corps* of Competitors was not kept during last years' match,—a deficiency which it was found impossible to supply during the compilation of this Report.

THOS. C. SCOBLE, MAJOR,  
*Secretary O. R. A.*
