CROSS, FEVERISH CHILD IS BILIOUS OR CONSTIPATED

Look Mother! If Tongue is Coated Give "California Syrup of Figs"

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "Fruit Laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again.

When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 60-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

NO ELECTION YET.

Hon. A. E. Kemp, who arrived last evening in Toronto after attending a meeting of the Dominion cabinet, intimated that parliament will meet again before an election will be held. Whether or not there will be a general election before the end of the war, he said, depends upon the Liberal party.

Hunters Shot

While John Christie and William Dry were hunting in the woods near Fredericton Junction yesterday morning, Christie shot at what he thought was a deer and the bullet from his rifle passed through Mr. Day's left leg, inflicting a bad wound. Mr. Day belongs to this city and was brought in on the Boston train last evening and taken to the hospital.

Lester L. Patterson, a prominent grocer of Solon, Me., was shot and almost instantly killed on Thursday at Hugh Comber's camp at West Forks. He was hunting at West Forks and was mistaken for a deer. Dr. B. H. Keller, of Appleton, fired the fatal shot. No proceedings were taken against him. An inquiry was to have been held yesterday at Bingham, Me.

Does Total Abstinence Pay?

During the past thirty years, The Manufacturers Life Insurance Company has maintained two separate Departments known as the Abstainers' Section and the General Section, thereby classifying Total Abstainers and Non-Abstainers.

The result has been that the Abstainer has shown himself a much superior risk to the Non-Abstainer, and our statistics in this regard are considered the most authentic of their kind on the continent.

Appreciating the superiority of the Abstainer as a Life Insurance risk, we give three eligible for insurance in this class the benefit of special plans and rates. Our statistics prove they are deserving of them. Why not ascertain what we have to offer before placing your insurance?

Upon receipt of your name and address, we shall be pleased to send you our little booklet "Total Abstainers vs. Moderate Drinkers." Insurance issued to women on these special plans as well as to men.
