GOVERNMENT IS AT WORK ON WEST INDIES MATTER

Local Board of Trade Receives Wire Re Steamship Service

That the Government were grappling with the matter of steamship service between the West Indies and Canada had been hoped to have completed arguments satisfactory to all concerned. The information contained in a letter received today by F. MacLure, chairman of the Saint John Board of Trade from Deputy Minister of Trade and Commerce, C. C. T. O'Hara.

The letter is as follows:

Department of Trade and Commerce
Ottawa, Oct. 7, 1926

Dear Mr. MacLure:—I have your letter of October 4, which I have read with care. The only information I can give you at the moment is—and this is definite—the Government have taken up the question of the West Indies steamship service with the hope and desire that they can settle the matter definitely within a short time.

The present Government, of course, have had a great deal to do since they came into office and have not had much opportunity to decide a matter of such importance as this, as stated, it is now up for consideration in the hope that it will be definitely settled within a very few days.

Yours faithfully,
(Signed) C. C. T. O'HARA.

F. MacLure, Esq., Chairman, Saint John Board of Trade, Saint John, N. B.

Fishery Officer Also Prefers Assault Charge Against Chatham Man

CANADIAN PRESS

FREDERICTON, Oct. 9.—The war opened by Federal fishery officers on salmon poachers on the Miramichi, has reached the courts.

Frank O'Hara, who has been residing at White Rapids, Northumberland county, will appear before Police Magistrate Denner at Newcastle on Monday charged with assault on a fishery officer in the discharge of his duty.

O'Hara was arrested on Thursday after he had refused to allow Fishery Officer N. H. Parks, of Upper Derby, to search the automobile owned by Burpee Harris, who was with him, the assault being alleged to have taken place, when the fishery officer insisted on examining the car.

Examination of the automobile revealed 72 salmon weighing 719 pounds. The contraband cargo was brought to Fredericton and was disposed of here by Overseer Parks at 10 cents per pound. The automobile was also confiscated and taken to Newcastle. Charges will also be preferred against Harris.
