

TRINITY CURATE AND WIFE WELCOMED

Reception Given in Honor of Rev. W. E. Fuller and Mrs. Fuller

A greatly enjoyed congregational social was held in the upper hall of Trinity schoolroom last night when a reception was given in honor of Rev. W. E. Fuller, recently appointed curate, and his wife. The excellent program was in charge of the Boy Scout committee, headed by Scoutmaster Charles Upham and the refreshments were provided by the Men's Club. Feminine assistance was introduced only in the serving of the refreshments, Mrs. C. Regan being convener of the efficient committee which had charge of this. Those who received with Mr. and Mrs. Fuller were Rev. C. Gordon Lawrence, the rector and Mrs. Lawrence; I. H. Northrup, churchwarden, and Mrs. Northrup. Mr. Lawrence was chairman and announced the numbers of the program as follows: Comic sketch, "Two Gentlemen in a Fix" Harold Williams and Wilbert Hurs; solo, Scout Walter Dunbrack; recitation, Wolf Club George Hinchart; recitation, Wolf Club Jack Wilson; cornet solo, Victor Regan; violin solo, Herbert Nise; piano solo, Dr. Harry Dunlop; solo, Lester Howley; readings, Ronald Shaw; and a sketch "Our Flag" by 11 members of Trinity Wolf Club pack.

In the sketch Louis Green was the reader. Vocal solos were given as follows: Rule Britannia, Robert McCutcheon; Loch Lomond, George Cromwell; and Kilnree, Ralph Dick. Walter Beckingham gave a recitation "St. George" and verses of "The Flag" were recited by Gordon Cromwell and Hadley Grant. The sketch closed with the singing of patriotic choruses. The accompanists of the evening were Rev. S. Coupe and Dr. Harry Dunlop.

SCOUT LEADER PRAISED Mr. Lawrence spoke appreciatively of the excellence of the entertainment and warmly commended the good work of Mr. Upham as leader of the Scout and Wolf Clubs. Mr. Upham, he said, have 80 nights during the winter to the Scouts and Cubs and he had full charge of the Scouts' camp in the summer time. The reception was one of the most largely attended and most enjoyable of Trinity social gatherings that have been held recently.

SONS OF RICH MEN COMMON LABORERS

Two of Them Earn \$1.75 a Day and Are Able to Save Money

Twenty years of age, heir to a fortune, handsome, unmarried, believes California girls are the best looking in the world, working on a fruit ranch at \$1.75 a day.

That describes David Swope, son of Gerard Swope, president of the General Electric Company, Inc., whom reporters discovered swinging a hoe on the Harkroad ranch of the Irvine company, near Irvine, Calif., recently, according to "The Los Angeles Times."

But young Swope is not the only scion of riches employed on the ranch. With him is Robert Russell, twenty years old, son of R. Lamont Russell, president of the South Manchester Trust Company, of South Manchester, Conn.

Swope said that he had three good reasons for playing the part of an "agricultural vagabond"—first, in order to come into actual contact with the soil; second, to see the world; third, to be in the open air for the sake of keeping his good health. His ruddy face and bronzed arms testify to the success of the venture as far as his health is concerned.

Social Notes of Interest

The social and reception held in the schoolroom of the West Side Kirk on Monday evening was a very pleasing event. McMathews, Mrs. J. R. Cameron, Mrs. Walter Brown and Mrs. Joseph Tippet and Miss Ida Belyea received the guests. The members of the refreshment committee were Mrs. Thomas Rippey, Mrs. Walter Allingham, Mrs. Walter Moore, Mrs. J. S. Williamson, Mrs. Duncan McLean and Mrs. F. K. Stewart. The program was arranged by Mrs. Walter Newman and the members of the decoration committee were Mrs. Thomas Rippey, Mrs. W. Allingham and Mrs. J. W. Williamson. Vocal solos were given by Mrs. Harold Lambert, Mrs. Ernest Bisset and Percy Flewelling. Miss Margaret Barrett was the accompanist. Dainty refreshments were served.

GIFTS PRESENTED MISS M. E. O'BRIEN

Pleasant Time Enjoyed Last Evening By Ladies' Society of St. Rose's

The Ladies' Society of St. Rose's parish enjoyed a delightful banquet on Monday evening in St. Rose's hall, Fairville. The nicely appointed table was centered with a silver basket with red roses. Red candles in silver candlesticks were also used in the decoration. Miss Mary E. O'Brien, the retiring president, a beautiful bouquet of red tulips, a handsome gold ring with amethyst setting and a nicely worded address expressing appreciation of her work during her two years of office. Miss O'Brien expressed her appreciation of the gift and kind words of her associates. Rev. Wilfred Mallette, spiritual advisor of the society, gave an address, warmly commending the work of Miss O'Brien for the society. There were 75 present at the banquet which was preceded by a card party. The fortunate prize winners at cards were Miss Geraldine O'Brien, Miss Emma Love and Miss Elspeth McKinnon.

Major and Mrs. Gerald Anglin returned yesterday from their wedding trip to New York, Atlantic City and Washington. Major and Mrs. Anglin will occupy the apartment of Mr. and Mrs. Daryl Peters, Westworth street, during Mrs. Peters' absence in Detroit.

The Morning Sun, of Yuma, Arizona, carries in its society column an interesting account of the marriage of Miss Beatrice Thacker to Mr. John I. Moorish, on Sunday, April 4. They were married by Rev. W. J. Dixon. The wedding announcement is of interest in Saint John as Mr. Moorish is a brother of Mrs. Harold Chadwick, of the Shanandah Road. Of the wedding ceremony the Sun says that as the bride procession formed in the church aisle a diadem of "Love You Truly" was sung and flower girls dressed in white scattered rose petals in the path of the bride. Miss Irma Dorsey, who was maid of honor, was dressed in a gown of peach tulle, with purple hat and carried a bouquet of pink and white rose buds. The bride's wedding dress was of white georgette with red and orange blossoms and she carried a bouquet of lilies of the valley. To the strains of Mendelssohn's wedding march she was escorted to the altar by Luke W. Ellison, whose wife is a lifelong friend of the bride. The ceremony was followed by a reception at the home of Dr. and Mrs. Hilary Ketcherside which was beautifully decorated with flowers. Mr. and Mrs. Moorish left on a honeymoon trip to Phoenix and the Grand Canyon. They had quite an experience automobiling to Prescott and their car was the first to reach that place after travel had been disrupted by severe floods. They are making their home on their ranch, which adjoins what is described as the famous Araby ranch. Mr. Moorish has just completed an attractive stucco bungalow on his ranch.

"Since coming here three years ago," says the Sun, "Mr. Moorish has had charge of Araby ranch, besides improving his home. He is an Englishman, a member of the World War and was a traveler in Alaska and Canada before coming to Yuma. Mrs. Moorish is a Canadian and has been here for several years, a popular nurse in the local hospital. Both have made a large circle of friends here, all of whom wish them many years of happiness."

Mr. and Mrs. J. Wilfred Ryan, who have spent the winter months at the Victoria Hotel, left on Monday evening for Schenectady, N. Y., where they will in future reside. Many friends here will wish them happiness in their new home.

Mr. Charles D. Roberts, who was recently a visitor in the city and lectured before the Character Analysis Club and the Rotary Club, left last week for Montreal, and is now visiting his mother at her summer home in New Hampshire.

Miss Marjorie S. Robbins and party, of Saint John, while touring through the Shenandah Valley, visited Shenandoah Caverns, Va., last week-end.

The many friends of Mrs. Sidney H. Bishop, Leinster street, will be pleased to know that her condition is reported slightly improved at the General Public Hospital, where she has been seriously ill with pneumonia.

Twice within the last week has Mrs. Murdoch Morrison, of Sydney, C. B., another Mrs. E. E. Cunningham, 24 Horsfield street, Saint John, been called upon to mourn the loss of members of her family, her daughter first and then her husband, and both under particularly sad circumstances. In neither case was Mrs. Morrison present when death called her beloved ones.

Mrs. Morrison, accompanied by her daughter, Mrs. A. E. Cunningham, was called to Everett, Mass., by the death of another daughter, Mrs. Robert Murdoch, which occurred there on May 5. Mrs. Matheson and Mrs. H. B. Reil, of Sydney, daughters of Mrs. Morrison, were in Everett with their sister when she passed away. The grief-stricken family returned here at the end of last week. The family remained in Saint John over Sunday in order to allow Mrs. Morrison a break in the journey so that she might get a few hours' rest. It was while they were here Sunday that word was received that Mr. Morrison had passed away suddenly, following a paralytic stroke, and the sorrowful journey was commenced.

Mrs. Morrison, accompanied by her daughters, left for Sydney on Monday, and yesterday A. E. Cunningham left for Sydney to attend the funeral of his father-in-law.

Miss S. A. Barrington, organizer of Red Cross Home Nursing classes for New Brunswick, visited Emskillen yesterday and attended the meeting of the local Women's Institute.

Costs Only 3 Cents To Remove Wrinkles Better than massage for removing wrinkles and age lines, far less expensive and bothersome, is a simple Tarkroot mixture which any woman can prepare and apply in a jiffy. Almost immediately after spreading this over the face there is a pleasant soothing sensation and the mirror shows the horrid age lines and "sags" disappearing like magic. In less than 15 minutes the face is as smooth and firm as a school-girl's. Seems almost too good to be true, but the actual experience quickly removes all doubt.

All one needs to do to procure an original package of Tarkroot from the druggist, mix a spoonful with a spoonful of lemon juice and apply with the fingers. This, of course, is perfectly harmless. It is easily washed off, leaving the face wonderfully refreshed and rejuvenated, with a healthy glow. And the cost of such application is less than 3 cents!

Cocconut Oil Fine For Washing Hair If you want to keep your hair in good condition, be careful what you wash it with. Do not use prepared shampoos or anything else that contains too much free alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multifid coconut oil shampoo (which is pure and emulsified) is much better than anything else you can use for washing hair. Simply moisten your hair with water and rub it in. Two or three teaspoonfuls of Multifid will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excess oil. The hair dries quickly and evenly and it leaves it fine and silky, bright, fluffy, wavy, and easy to manage. You can get Multifid coconut oil shampoo at any drug store. It is inexpensive and a few ounces will last everyone in the family for months. Be sure your druggist gives you Multifid. Beware of imitations. Look for the name Watkins on the package.

Fine Program In St. Paul's

A delightful program was given in the school room of St. Paul's church last evening in aid of the organ fund of the church and the large audience heartily enjoyed every number. Members of the choir and of the Junior W. A. of the church took part.

The Junior W. A. members opened the program by presenting three scenes from their charming playlette, "The Guest of the Pink Parrot," which they had given on a previous occasion. They gave an even finer performance last night and were heartily applauded. Twenty-two of the choir boys sang a joyous chorus entitled "A Hiking."

Eight of the choir members gave as solo numbers "Moonlight," by E. F. Farns, and "Slumberland," composed by James S. Ford, of Saint John. Ernest Till, as tenor soloist, sang "Land of Long Ago," by Lillian Ray, and "Fainings," by Easthope Martin. A male quintette sang "Little Tommy Went a Fishing," by Macy; "A Little Glow Harmony," by G. O'Hara, and "Two Little Magpies," by J. B. Wells. Miss Marjorie Pearce gave the reading "She Sparkled." A quartette of male voices accompanied H. A. Allison in a baritone solo, "Sleeping," by F. E. Ward. The program closed with a chorus, "A Song of Canada," by the choir boys. Each number was splendidly rendered and enthusiastically received.

The accompanists were Mrs. H. A. Allison and James F. Browne, choir leader, and the members of the choir who took part were Mrs. P. N. Woolley, Miss Audrey Hatters, Miss Bessie Palmer, Miss Alma Roberts, H. A. Allison, Chester Bourne, Arthur Gandy, Edward Mahoney, Deane Gandy and Ernest Till.
