Large Congregation Gathers in
Exmouth Street Church For
Happy Event

A large and representative congregation assembled in the Exmouth street United church last night to do honor to Rev. W. R. Pepper on the completion of 50 years in the ministry of the Methodist church.

Rev. H. C. Rice, pastor of the Queen square church, presided and Rev. E. E. Styles, pastor of the Exmouth street church, read the scripture portion and offered prayer. Rev. Dr. H. E. Thomas, editor of the United Churchman, representing the Historical Society of the church, read the address of congratulation which was presented to Mr. Pepper. The address was beautifully illuminated and handsomely framed. Dr. Thomas also paid a personal tribute to the life and work of Mr. Pepper.

LAITY'S TRIBUTE

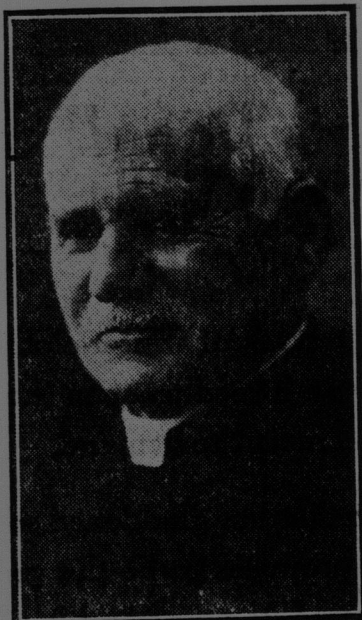

J. King Kelley, representing the laity of the Methodist denomination, extended hearty congratulations to Mr. Pepper and also bore tribute to the excellent service he had rendered throughout the years.

Harold Hopkins, with Mrs. W. L. Beville as accompanist, gave a pleasing solo. Rev. Robert S. Crisp, who was stationed in Chatham over 50 years ago and was Mr. Pepper's first superintendent when he was stationed in his first charge on the Derby circuit, also spoke in deep appreciation of the work of his fellow minister and at the same time laid stress upon the church's indebtedness to the faithful efforts of Mr. Pepper.

PRONOUNCES BENEDICTION

Rev. R. G. Fulton, president of the Saint John Presbytery of the United church, pronounced the benediction. Many friends remained to extend congratulations to Mr. and Mrs. Pepper. Since his retirement Mr. Pepper has lived in East Saint John, where

\$2,000 Damage Done In Fire Near Woodstock

WOODSTOCK, Nov. 13.—About \$2,000 damage was done by a fire discovered in the barn owned by Hugh Gibson, Broadway, at 2.05 this morning. The barn was close to the house occupied by Mr. Gibson, and J. C. Folkins, but the firemen were able to save the dwelling, and half an hour after the outbreak appeared to have the blaze under control. The barn contained a lot of wood belonging to Mr. Gibson. The damage is partly covered by insurance, he says.

"AN OBSTINATE INDIGESTION had opened the scene; nervous depression followed; a skin eruption appeared on top of all. General troubles require general remedies: good yeast has a bracing and purifying effect on the whole body; therefore I began taking, scrupulously before each meal, one of the

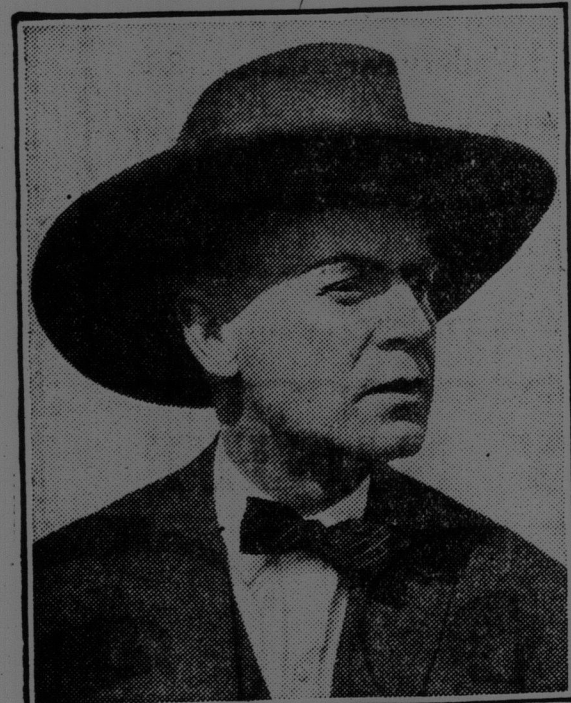

dainty cubes put up by the Fleischmann Company. The symptoms of disease disappeared, one by one, inversely as they had come; first the eruption, then the depression, lastly the digestive troubles. In a fortnight, I was enjoying life again; still to enjoy it better, even now I stick to my three cubes a day."

Christian Mauroner, New York City

"YEAST HAS SAVED ME from indigestion lasting sixteen years. Sickness or dizziness kept me inactive. Recently attacks increased. I was rarely free from pain more than two or three days. I started eating Fleischmann's Yeast eight months ago. I regret I did not try it ten years ago when a New York specialist recommended it for indigestion to a friend. My trouble has disappeared; I now eat anything. I even went motor camping this summer and climbed to the top of Mt. Washington."

Mrs. W. Boone Lord, Providence, R. I.

"I WAS A CHRONIC SUFFERER from constipation and a slave to cathartics for years. A cousin who had been informed by a specialist in Germany that it was the real treatment for his case, induced me to use Fleischmann's Yeast. I now have no more headaches. My body is all cleared up from pimples and all other eruptions of the skin. That dull, hazy and dizzy feeling that used to pass over me several times a day and ruin my life, efficiency, and disposition, has entirely left me."

M. A. Zeff, Electrica, Texas

EAT TWO OR THREE CUBES A DAY regularly before meals: on crackers—in fruit juices or milk—or just plain. For constipation especially, dissolve one cube in hot water (not scalding) before breakfast and at bed-time.

all these—and more—through
one simple fresh food

NOT a "cure-all," not a medicine in any sense—Fleischmann's Yeast is simply a remarkable fresh food.

The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where cathartics give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active. And day by day it releases new stores of energy.

Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days. All grocers have Fleischmann's Yeast. Start eating it today!

And let us send you a free copy of our latest booklet on Yeast for Health. Health Research Dept. 441, The Fleischmann Company, 208 Simcoe St., Toronto, Ont.

"ABOUT SIX MONTHS AGO I suffered considerably from headache—almost daily. I was also nervous. My work as a railroad agent and telegraph operator requires quick and accurate service. I seemed to be always making mistakes, and was always cranky to my customers as well as to my family (before taking yeast). I had seen about the remarkable results of Fleischmann's Yeast—so I tried it. The result is that I feel as happy as I did on my wedding day. My complexion is fine—and I am enjoying life."

Karlsruhe Priest Stabbed at Altar

PARIS, Nov. 13.—A priest named Father Wolf, who was celebrating mass in a church in Karlsruhe, was stabbed from behind by a deaf mute named Joergel, who was among the congregation. The church people seized Joergel, and a fierce struggle ensued at the foot of the altar. Joergel was finally overpowered with the aid of other

members of the congregation. In a deposition which he wrote for the police, Joergel explained that he tried to kill the priest so that he himself could be sentenced to death.

IMPALED ON BILLIARD CUE

PARIS, Nov. 13.—A youth at Gisors, in the Eure Department, died in hospital a few days ago after having been impaled on a billiard cue. He had been to the Cafe Francois with a crowd of young fellows who were playing a

series of billiard matches, and, while waiting his turn, climbed a pillar in the salon. When nine feet up he became tired and slid down, but one of his friends had left a cue resting against the pillar, with the tip uppermost, and the lad was impaled upon it.

Exports of grain and grain products from the United States have increased two and one-fourth times since pre-war days.
