Matters of National and Civic Importance.

Matters of national and civic importance with the Local Council of Women held yesterday afternoon in the Board of Trade rooms with Mrs. Richard Hooper, the president, in the chair. In urging sympathy for soldiers' care, Mrs. E. A. Young also expressed the opinion that the Senate should be an elective body. Mrs. H. P. Newcombe recommended certain local reforms with a view to improved moral conditions. She also said she understood that there would he no fakirs' row at the St. John exhibition next year. Mrs. A. C. D. Wilson asked for assistance in obtaining information about objectionable literature and Mrs. H. H. Pickett recommended every member to attend the I. O. D. E. course of lectures in civics. Arrangements for the provincial meeting in Moncton and for future activities were discussed and a beginning was made in the new plan of having affiliated organizations present statements of their aims and their work.

Executive Meeting.

Matters of National and tit was decided to accept the invitation and suggest the third week in November as the date for the meeting if it was decided to hold the annual meeting of the St. John Council in afternoon and evening sessions on the fourth Friday in January.

A letter of sympathy was to be sent Mrs. Max Ross in her illness. It was decided to form a new standing committee, a committee on illicit drugs, to be convened by Mrs. James McAvity. Correspondence included the G. W. V. A. request for aid on Poppy Day, the letter from Dr. W. C. Kierstead, Mrs. W. B. Tennant's announcement of her compliance with the request to continue as convener of the milk fund committee and a letter of greeting from Mrs. E. Atherton, Smith, the past president. Mrs. H. B. Peck reported on her work as corresponding secretary.

Financial Position.

As treasurer, Miss Alice E. Estey reported a balance of \$73.98 in the general fund and a monthly bill of \$125.75 against the milk fund. Contributions to the milk fund. Contributions to the milk fund were \$5 from Wind

Mrs. E. A. Young, one of the delegates to the National Council convention, gave an interesting report of the convention, telling of the consternation with which the convention had heard of how the Senate had mutilated the pensions bill of last session. The only change approved had been the reorganization of the Pension Board. She respected that the recommendations of the royal commission, some of which were along lines she had suggested, had not been adopted. She expressed the opinion that the Senate should be an elective body and that women should use their right of franchise to obtain reforms, and in closing made a moving reference to the debt which was owed to the men who served during the great war.

Mrs. H. P. Newcombe, as convener of the committee on equal moral stand-

tion desirable, the Social Service Council was communicated with and it was learned with gratification that "fakirs' row" would not be there next year. Means of seeing that young people did not attend unsuitable entertainments were being considered by the committee which hoped to petition the City Council to pass a by-law covering this need. It was learned the city had authority to pass such a by-law but had not yet done so. She appealed for support for the Moncton Home for women and especially for sex education of the young and said the W.C.T.U. had voted funds to purchase books on sex education for the public library.

A Free Prescription You Can Have
Filled and Use at Home.

Philadelphia, Pa.—Do you wear
glasses? Are you a victim of eye strain
or other eye weaknesses? If so, you
will be glad to know that according to
Dr. Lewis there is real hope for you.
Many whose eyes were failing say they
have had their eyes restored through
the principle of this wonderful free
prescription. One man says, after trying it: "I was almost blind; could not
see to read at all. Now I can read
everything without any glasses and my
eyes do not water any more. At night
they would pain dreadfully; now they
feel fine all the time. It was like a
miracle to me."

A lady who uses it says: "The at-

miracle to me."

A lady who uses it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever get-

Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up personal lar use in almost every family. It is sentibly right from the start and in-

STEALING A CAR

Chatham, Oct. 26—Chief of Police Coughlan received word yesterday from Campbellton that an automobile, the property of Lyman Gilker; had been stolen on Monday night. A strict look-out was kept for the car and this morning it was traced to Black River, a few miles from here. The chief went to that place and recovered it. The driver, a boy about thirteen years of age, was arrested charged with theft. He is being held here until an officer comes from Campbellton to take him home.

might, showed.

The financial statement was also matter for congratulation as it showed that during September and October up to the present time \$2,866.26 had been received for the funds.

Judge H. O. McInerney presided in the absence of Hon. H. A. McKeown and the meeting was well attended.

The treasurer's statement showed that the grand total of receipts included the proceeds of the tag day and the baseball game and the contributions of various organizations.

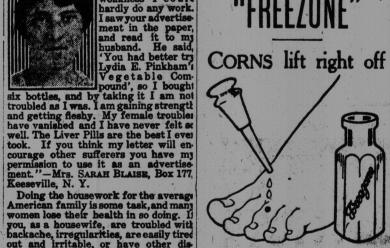

J. S. Gregory, in his report for the ways and means committee, told of the great success of the tag day, the proceeds of which had exceeded the expectations of the committee. He referred especially to the good work done by the members of the staq of the Bank of Nova Scotia and the Bank of Montreal who had assisted in counting the returns.

The board passed votes of thanks to all who had assisted with the tag day or in the baseball game

The administrative committee submited a detailed statement of the work of the various clinics and the general discussion which followed evidenced the interest of the members in the work which was being done.

It was reported that the small deficit which had remained from the operation of the Lady Byng Day Camp had been made up by several subscriptions and that this enterprise had been no charge on the Health Centre funds.

G. W. P.'s Report. The Grand Worthy Patriarch's re-

The Grand Worthy Patriarch's report, after making complimentary reference to Sackville Division, which had been active for about seventy-five years, said that a careful survey of this province indicated that, in spite of more rigid enforcement of the prohibition law there was still a great deal of illicit selling of liquor. While there seemed to be improvement in some directions the situation was far from satisfactory, and the concensus of opinion among prohibition workers seemed to be that they are not getting what they were led to expect, or what had time and again been voted for. They realized the difficulty with which the Government had to contend, but would urge that a more strenuous effort be made to control the illegal sale of liquor and that persistent offenders be given a jail sentence instead of being fined again and again.

It was a matter for congraulation that the liquor avery houses were shown.

It was a matter for congraulation that the liquor export houses were soon to be abolished. When the temperance delegation met in Fredericton to interdelegation met in Fredericton to interview the Government, early in the year, the Premier promised that this would be done before the end of the year and they were glad to note that steps had been taken to put into effect the order-in-council recently passed. They were hoping that this might be effectual in stopping the illegal distribution of liquor throughout the province.

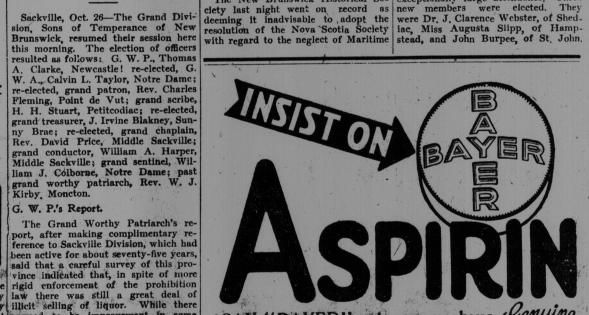

The Grand Scribe read letters from Premier Veniot and Chief Inspector Hawthorne bearing on the question of prohibition enforcement in Kent and Westmorland counties.
