The Man Who Has No Watch

He's like a ship without a compass.

Of course, he can ask the time, or observe the town clock, or look into the window of a progressive store that displays a clock, but who wants to depend on such expedients to find out what time it is?

Especially when an accurate, reliable watch can be bought for such a reasonable price that there is really no excuse for not owning a watch.

You can buy here, just the kind of a watch you want, at the price you want to pay. We carry Howard, Hamilton, Waltham, Elgin and Decimal watches. The world over you can't find better watches than these.

NATURAL HISTORY SOCIETY

At the last meeting of the Natural History Society for the season held last night in the rooms, Union street, with the president, W. F. Burditt in the chair, matters of a more or less routine nature were taken up and the dates of the summer field meetings were announced by the convener of the society, William McIntosh.

Several valuable donations were received at the meeting, including a nearly life sized portrait of the late Professor E. Stone Wiggins, the Canadian astronomer, who was born in Queens county, a gift of Mrs. Wiggins. Some papers dealing with the natural history and physiography of New Brunswick by Dr. W. F. Ganong, were read.

Miss Basie Marcus was elected a junior associate member of the society.

The summer field meeting were arranged as follows:

June 15, Gaspesia.
July 15, W. S. Fisher's grounds, Lingley.
August 22, W. F. Burditt's grounds, East St. John.
September 5, Seaside Park.

ST. JOHN PUSILLERS

The 62nd Regiment will have a march out on Friday evening. On next Sunday morning there will be a parade to St. Paul's Valley church.

How to Make Your Hair Beautiful

Ten Minutes' Home Treatment Works Wonders, Stops Falling Hair, Itching Scalp and Dandruff and Makes the Hair Soft, Brilliant, Lustrous and Fluffy.

Better than all the so-called "hair tonics" in the world is a simple old-fashioned home recipe consisting of half Bay Rum, Lavona (de Compose), and a little Menthol Crystals. These three mix at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Lavona, 1 oz. Bay Rum and 1/2 drachm Menthol Crystals. Dissolve the Crystals in the Bay Rum and pour in 2 oz. of water. Then add the Lavona, shake well, and let it stand for an hour before using. Apply it by putting a little of the mixture on soft cloth. Draw this cloth slowly through the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dust, and excessive oil and makes the hair delightfully soft, lustrous and fluffy. To stop the hair from falling and to make it grow again rub the lotion briskly into the scalp with the finger tips or a medium stiff brush. Apply night and morning. A few days' use and you will not find a single loose or straggling hair. Any dandruff will disappear as tight as a vice. Dandruff will disappear and itching cease. You will find fine downy hair sprouting up all over your scalp and this new hair will grow with wonderful rapidity.

Any druggist can sell you all over your scalp and this new hair will grow with wonderful rapidity.

The prescription is very inexpensive and we know of nothing so effective and certain in its result.

WOMEN CAN HARDLY BELIEVE

How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Eden, Mo.—"I was troubled with displacement, inflammation and female weakness. For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been in bed for three months in the face and would walk the floor. I could not lie down or sit still sometimes for a day and a night at a time. I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself."

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound. For sale everywhere.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it? Lydia E. Pinkham's Compound, Lynn, Mass.

"Don't let the fire burn through to the oven."

86 Pages of Personal Advice Free to Any Man

MY DEAR READER:

In the handsomely printed little book or private pocket compendium (containing 8,000 words and 40 half-tone photo-reproductions), which I publish and gladly forward free of cost really MORE, in some respects, than others offer and make a large charge for. All you have to do to get this free book of 86 pages is to fill in the coupon below, or if in my neighborhood, I extend an invitation to you to call at my office, 240 St. John Street, and receive your copy.

Involve absolutely no obligation on your part. There is nothing whatever for you to buy in any way, unless you should decide at some time in the future that you would like to try one of my mechanical VITALIZERS (described below), but that rests with yourself. Over a million of these little free books have now been sent to men who wrote for them, as I want you to do, and who live in all quarters of the globe. I publish this little book in English, Swedish, Danish, Finnish, German, French and Polish, but I always send the English (described below), but that rests with yourself. Kindly use the little coupon.

SANDEN, AUTHOR.

In reference to manly strength, I believe it is now more generally acknowledged than ever before that the manly man stands back of all achievement in the world, a truth which any of us can easily verify if we but look about us with impartial eyes.

As a matter of fact, the man who is debilitated, unstrung and enervated cannot, for perfectly obvious reasons, expect to approach these real and masterful attainments which seem but a natural and easy accomplishment for him whose nerve force, brain power and manly strength are perfectly normal. Hence, while we acknowledge the debilitated, weakened man to be handicapped in every walk of life where real manhood counts, yet it would indeed be cruel of me to here so state the fact in public print were I not of the honest opinion that there is every hope for the unmanly man to restore himself to a state of health and vigor, if he but clear his mind of abnormal fear, and then make a fair, square effort to redeem himself.

There are two specimens of humanity for which I have no earthly use: one is the man who, though now strong and vital, yet plunges into dis-

WHAT THE FREE BOOK TEACHES YOU

The little free illustrated book of special private information referred to above, is meant really to be a self guide for all men through the years before and after marriage and onward to a ripe old age. It is written in perfectly plain language, entirely free from technical terms, so that any one may easily grasp the full power of its good advice from two or three careful readings. It attempts to point out a safe road to new manhood or new manly strength, and as such is dedicated to mankind generally. One part of this book fully describes my little VITALIZER referred to above.

Remember, as soon as the coupon below is received I agree to forward to you one copy of this illustrated booklet, absolutely free of charge and in a plain, sealed envelope, so that it will come to you privately, just as you receive any sealed mail.

DR. E. F. SANDEN CO., 140 Yonge St. Toronto, Ont.

Dear Sir—Please forward me your book, as advertised, free, sealed.
