Carleton Curlers Win.
Two rinks from the Carleton Curling Club went to Hampton on Saturday and played the Hampton club. The Carleton club won by the score of 30 to 10.

Our portrait is of Mr. MICHAEL T. ROONEY, of 55, Granville Avenue, Long Eaton, England, who writes—

"Some years ago whilst touring Ireland with 'Sanger's Royal Crown' I contracted some kind of an irritable skin complaint, which seemed to baffie different treatments in the way of salves and lotions, all of which utterly failed to give me the slightest relief. Recently at Long Eaton, where I am engaged as Advertising Manager of The Picturehouse, the conductor there begged me to try Clark's Blood Mixture, but I refused. However, he, knowing its curative powers from experience, made me a present of a bottle, which I began to take. Recognizing a slight improvement in my limbs, I got another bottle, and continued the treatment until I had used four bottles, and now my skin is perfectly healthy again."

Sufferers from Bad Legs, Abscesses, Ulcers, Eczema, Bells, Pimples, Eruptions, Rheumatism, Scab, should realize that lotions and ointments can but give temporary relief—to be sure of complete and lasting benefit, the blood must be thoroughly cleansed of the impure waste matter the cause of such troubles. Clark's Blood Mixture quickly attacks, overcomes, and expels the impurities, that is why so many remarkable recoveries stand to its credit. Pleasant to take, and free from injurious ingredients.

NERVOUS AND BADLY RUN DOWN

Mrs. Emma Brown of West St. John, N. B., was heir to ill's common to woman but now she feels fine—Another Victory For Dreco is Recorded.

Mrs. Emma Brown, of 66 Protection street, West St. John, N. B., was in a general run-down condition. She suffered from stomach trouble, indigestion, and was extremely nervous. Her liver was torpid and biliousness and constipation resulted. At her age—46 years—this was a serious condition and what she suffered can better be imagined than told. Today Mrs. Brown feels fine and she attributes it all to Dreco, that marvellous root and herb remedy and tonic. Her entire system is toned up to normal working order and health is the result. "My indigestion and stomach trouble are gone," she says. "My liver is working fine and I am no longer troubled with constipation. I was very nervous at times and felt miserable and run down in health. I have used only one bottle of Dreco but I am going to continue it until I regain all my weight. I strongly recommend it to everybody." How many women there are just like Mrs. Brown. What relief they would find in their ailments if they took Dreco. It is a simple combination of herbs, roots and leaves, compounded in proportions that make a remedy bound to tone up the system and regulate the functions of the digestive organs. Dreco is being specially introduced in St. John by Ross Drug Co., 100 King street. Go there today and ask for Mr. Arthur, the Dreco expert, and let him explain the merits of this great remedy. There is no charge and he will tell you honestly if he believes Dreco will benefit you. Dreco is also sold in St. John by Moore's Drug Store, 105 Prince Edward St., and by F. W. Munro, 387 Main St. It is also sold in Fairville by T. W. Wilson and in West St. John by Watson H. Dunlop.

Mrs. W. McCure, Norwood, Ont., writes:
"After my baby was born, I was terribly weak and run down, with pains across my back. I had heard so much of Dr. Chase's Nerve Food that I decided to try it. Three boxes proved enough to make me quite strong and well again. I also used Dr. Chase's Ointment for a rash which broke out on the baby, and the rash disappeared completely in a short time."

IF BACK HURTS FLUSH KIDNEYS
Drink Plenty Water and Take Glass of Salts Before Breakfast Occasionally.

You Won't Cough After Taking Dr. Wood's Norway Pine Syrup

When your kidneys hurt and your back feels sore, don't get excited and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt, which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with bicarb, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot hurt; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.
