CHILD'S COUGH

WHEN a child starts coughing mother's duty is to give the little sufferer a Peps tablet, and thus prevent any weakening of the lungs. As the tablet dissolves in the child's mouth, the soothing medicinal fumes given off pass through the tender breathing passages straight to the lungs and bring immediate comfort and relief.

Peps contains no opium or other harmful drugs, and can be given to a child (either whole or crushed to a powder) with the assurance of absolute benefit.

One little Peps at night will clear the breathing passages and let the little one's sleep be unbroken by coughing fits. A Peps before starting for school in bad weather is also an invaluable safeguard for the children's throats and chests. All dealers, 50c. box.

FIRE IN KINGMAN, ME.
Kingman, Maine, Nov. 14--Fire this morning in the business section has caused a loss of about \$25,000. At 1.30 a. m., with arrival of a steam engine from Bangor, it is believed the fire is checked. The losers are L. E. Boyd and J. J. McCormick, general stores and stocks; S. L. Leach, grocery store; Mrs. Nettie Linscott, dwelling; S. C. Jensen, barber shop, and unoccupied store. The Maine Central station has been threatened, but is believed to be now out of danger.

For a time the Canadian Press wire was out of commission because of this fire and the C. P. R. Telegraph lost three of its lines of communication, but soon afterwards had succeeded in restoring two of them.

ALLIED FLEET IS AT CONSTANTINOPLE
London, Nov. 13--The Allied fleet arrived off Constantinople today, having passed through the Dardanelles Tuesday, the admiralty announces. British and Indian troops occupying the forts paraded as the ships passed. London, Nov. 14--Five German submarines arrived at Landskrona, southern Sweden, on Wednesday and requested the naval authorities to intern them according to a despatch to the Exchange Telegraph from Copenhagen. The submarine commanders said they did not dare return to Germany.

**Start The Winter Right--
With New Rubbers.**

Of course, we all want to economize--and there's no truer economy than wearing Rubbers. They protect the health and the shoes of every member of the family, especially the children. But there's no economy in wearing old Rubbers that are worn through at sole, toe or heel.

Start the winter right--with new Rubbers. Not a single pair; but a pair of Rubbers for each style of shoes--fitted to insure comfort and long wear.

A new pair of Rubbers on an old pair of shoes, makes the old shoes as serviceable as new ones--at a small part of the cost of new shoes.

There is a style and shape for every shoe--for men, women and children--in these six brands of reliable Rubbers, sold by the leading shoe stores;

"Jacques Cartier" "Granby"
"Merchants" "Dominion"
"Maple Leaf" "Daisy"

These marks distinguish a
