

Port of Quebec.—Semi-Annual Return of Goods, entered for Consumption with the values thereof, and shewing the Countries from whence imported, during the half year ending, the 30th June, 1865.

NOTE.—Goods entered for Consumption are those that pay Duty, Ex-Ship and Ex-Warehouse. Importations from Great Britain or elsewhere, via the United States—are to be set down as imported from Great Britain or the Country where the Goods were purchased. All Goods purchased in the United States, though the produce of other Countries, are to be considered as imported from the United States.
