The Herald has news that it is the tention of the British Government arrest the pirate Stanley and his ang have been engaged in plandering de butchering the hapless natives of entral Africa, and while doing so he as had the impertinence to raise and arry the British flag. The British overnment certainly has the right esy that its flag shall not be used y this piratical adventurer as a cover r his atrocious operations; and if it bes not punish him for what he has ready done, it can prevent him from taking any similar attempts hercafter. Despatches indicate that war will rely take place in Europe. The orte still remains unyielding, and ie Conference, after all, is expected o prove a failure. The telegrams of the last few days declare that there ill be a war, and the preparations or the coming strife appear to be iorough.
