A Representative and Champion of American Art Taste.

PROSPECTUS FOR 1875—EIGHTH YEAR.

THE ALDINE,

THE ART JOURNAL OF AMERICA,
ISSUED MONTHLY.

"A MAGNIFICENT CONCEPTION. WONDERFULLY CARRIED OUT."

The necessity of a popular medium for the representation of the productions of our great artists has always been recognized, and many attempts have been made to meet the want, the successive failures which so invariably followed each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or timidity characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the end of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume can not duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there is the chromo, besides!

The national feature of THE ALDINE must be taken in no narrow sense. True art is cosmopolitan. While THE ALDINE is a strictly American institution, it does not confine itself entirely to the reproduction of native art. Its mission is to cultivate a broad and appreciative taste, one that will discriminate only on grounds of intrinsic merit. Thus, while placing before the patrons of THE ALDINE, as a leading characteristic, the productions of the most noted American artists, attention will always be given to specimens from foreign masters.

The artistic illustration of American scenery, original with THE ALDINE, is an important feature, and its magnificent plates are of a size more appropriate to the satisfactory treatment of details than can be afforded by any inferior pages. The judicious selection of landscape, marine, figure, and animal subjects, sustain an unabated interest, impossible where the scope of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful accompaniment, worthy of the artistic features, with only such technical discussions as do not interfere with the popular interest of the work.

PREMIUM FOR 1875.

Every subscriber for 1875 will receive a beautiful portrait, in all colors, of the same noble dog whose picture in a former issue attracted so much attention.

"MAN'S UNSELFISH FRIEND"

will be welcome in every home. Everybody loves such a dog, and the portrait is executed so true to the life, that it seems the veritable presence of the animal itself.

Besides the chromo, every advance subscriber to THE ALDINE for 1875 is constituted a member, and entitled to all the privileges of THE ALDINE ART UNION.

The Union owns the originals of all THE ALDINE pictures, which, with other paintings and engravings, are to be distributed among the members. To every series of 5,000 subscribers, 100 different pieces, valued at over \$2,500 are distributed as soon as the series is full, and the awards of each series as made, are to be published in the next succeeding issue of THE ALDINE. This feature only applies to subscribers who pay for one year in advance. Full particulars in circular sent on application enclosing a stamp.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL

IN COUNCIL.

On the recommendation of the Hon. the Minis-

ter of Marine and Fisheries, and under the pro-

visions of the 13th clause of the "Fisheries Act,"

His Excellency has been pleased to make the fol-

lowing regulations:—

"In the Provinces of Quebec, Nova Scotia and

New Brunswick no person shall, during the

months of July and August, fish for catch, kill,

buy, sell or have in possession any soft-shell fish

or female lobsters with eggs attached, nor

Dr. J. Walker's California Vinegar Bitters

Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Constipation or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

DR. J. WALKER & CO.,
Druggists and General Agents, San Francisco, California,
and cor. Washington and Charles Sts., New York.

Sold by all Druggists and Dealers.

No Person can take these Bitters

according to directions, and remain long

unwell, provided their bowels are not de-

stroyed by mineral poison or other means,

and vital organs wasted beyond repair.

Grateful Thousands proclaim VINEGAR

Bitters the most wonderful Inaugurator that

ever sustained the sinking system.

Bilious, Remittent, and Intermit-

tent Fevers, which are so prevalent in the

valleys of our great rivers throughout the

United States, especially those of the Mis-

issippi, Ohio, Missouri, Illinois, Tennessee,

Cumana, Arkansas, Red, Colorado, Braz-

os, Rio Grande, Pearl, Alabama, Mobile,

Savannah, Roanoke, James, and many others,

with their vast tributaries, throughout our

entire country during the Summer and Au-

turn, and remarkably so during seasons of

unusual heat and dryness, are invariably

accompanied by extensive derangements of

the stomach and liver, and other abdominal

viscera. In their treatment, a purgative,

exerting a powerful influence upon these

various organs, is essentially necessary.

There is no cathartic for the purpose equal

to Dr. J. Walker's Vinegar Bitters, as

they will speedily remove the dark-colored

viscid matter with which the bowels are

loaded, at the same time stimulating the

secretions of the liver, and generally restor-

ing the healthy functions of the digestive

organs.

Dyspepsia or Indigestion, Headache,

Pain in the Shoulders, Coughs, Tightness

of the Chest, Dizziness, Sour Eructations of

the Stomach, Bad Taste in the Mouth, Bil-

ious Attacks, Puffing of the Heart, Inflam-

mation of the Lungs, Pain in the region of

the Kidneys, and a hundred other painful

symptoms, are the offsprings of Dyspepsia.

One bottle will prove a better guarantee

of its merit than a lengthy advertisement.

Scrofula, or King's Evil, White Swel-

lings, Ulcers, Erysipelas, Swelled Neck,

Gout, Rheumatism, Inflammation, Indolent

Inflammations, Mercurial Affections, Old

Sores, Eruptions of the Skin, Sore Eyes,

etc., etc. In those, as in all other constitu-

tional diseases, WALKER'S VINEGAR BITTERS

have shown their great curative powers in
the most obstinate and intractable cases.

Rheumatism, Gout, Bilious, Remittent
and Intermitent Fevers, Diseases of the
Blood, Liver, Kidneys, and Bladder, these
Diseases have no equal. Such Diseases are
caused by Vitiated Blood.

Mechanical Diseases.—Persons en-
gaged in Paints and Minerals, such as
