BUILDING IS STILL BRISK

PROMISING OUTLOOK FOR FALL WORK

Operations Throughout Dominion Show No Signs of Decreasing

Building operations throughout the Dominion still remain strikingly brisk with little or no signs of an approaching subsidence. On the contrary, the twenty-four important centres reporting to Construction, Toronto, total \$8,257,984, as against \$5,799.800 for the same period in 1909. This gives an average increase of \$2 per cent., a gain which can be taken as being fairly representative of the situation in general government was that of survey-presentative of the situation in general government was that of survey-ing a possible route for the bringing and drawing attention to the entry of the James Bay club in hockey. The indications, he said, all pointed to an improved season, faster and keener competition and greater success all round.

The case as first called charged the country a great deal. The advice of Mr. Bell was of the great railway corporation are of the great railway corporation. The presentation to the great railway corporation are of the great railway corporation. The presentation to the entry of the James Bay club in hockey. The indications, he said, all pointed to an improved season, faster and keener competition and greater success all round.

The league took place last night, F. L. Beecher presiding, and drawing attention to the entry of the first that the country a great deal. The advice of Mr. Bell was often secured by W. Moresby, alleges that as these men were on their way to work Tyson, the accused, used threats against them. Said, all pointed to an improved season, faster and keener competition and greater success all round.

The league took place last night, F. L. Beecher presiding, and drawing attention to the entry of the tion to the entry of the evening was spent at the Elegan trailway corporation.

most consistent expansion. to p ous state of development. Saskatoon has an increase of 927 per cent., Prince Albert a gain of 586 per cent., and Moosejaw an advance of 502 per cent. recorded for the month in one, two, three order. Regina also shows a very occurred about elever years ago. His controlled the controlled in the council and the controlled in the council and the counci

monton and Lethbridge surpassed their corresponding figures to the extent of active work in the field and had only Aside from these places, other gains noted are: Victoria 50 per cent. Winnipeg 27, and Brandon 55 per cent. nipeg 27, and Brandon 35 per cent.

Agnes Blanchard Bell, Truro, N. S.

The funeral has been arranged to registered, permits having been issued for new buildings aggregating value take place on Friday afternoon at 2:50 51,449,100 as against \$1,135,250 in August,

In Ontario three losses occurred, viz: Windsor 23 per cent., Ottawa 54, and terment will be made in Ross Bay London 30 per cent.; but these are effectively counteracted by the heavy in vestments made and the high percent age attained in other centres. Hamilton made an excellent showing, netting gain of 123 per cent.; as did also Port Arthur, where the total was 186 per cent greater than last year. Fort William and Brantford are ahead by a margin of 21 and 10 per cent., respect-ively, while Toronto, with an advance of 28 per cent., registers the highest amount (\$1,713,040) recorded in the Dominion. Berlin does not submit com parative figures, but an amount which operations for the month at

In Quebec the condition seems to be clearly indicated by the figures of Monmately \$700,000: the exact value of permits being \$1,393,047, and the increase noted 39 per cent. It is quite into its view of the pronounced activity in this case, that other cities in the province also made substantial strides. Further Vaughn and Criger.

Messrs. Bodwell & Lawson, for Hon. James Dunsmuir, hav stituted a suit against Wm. Mack president of the Canadian Nor Railway, on claims that will a rate a million dollars. The litinarises out of the recent sale Dunsmuir coal properties to the filan Northern magnates.

The transaction was completed 17 last, on which date the price \$11,000,000, was paid and the prop duly handed over. All the expen nnection with the running roperties had been met to June was agreed as a matter of co ience that the running expenses June 1 to June 17 should be pa the new owners, who were to r themselves by retaining a suf sum out of moneys due the

It is out of this arrangement the present lawsuit has arisen. According to the contract of the to the allegations made in the sui on behalf of Mr. Dunsmuir, th fendant capitalists since taking property on June 17 have per cly refused to make any account It is alleged that on June 17 due to the Wellington C npany, which in this connec another name for Mr. Dunsmuir coal shipped and sold in the way of business. There wer ,000 tons of coal ready mined tension and Cumberland and 15,00 f coke at Union Bay, besides up of 40,000 tons of coal, worth 150,000, which had been sold P. R. and delivered at Vanc he understanding being that the

R. was to pay for it from time t as they used it.
All of these assets, it is claim long to Mr. Dunsmuir, but the dants are alleged to have collarge sums on account of these standing accounts and neglecte refused to pay plaintiff or to a to him therefor. The defendan lleged to have delivered the itioned coal and coke, and efused an accounting. Therefore the plaintiff asks the nim the sums received from various assets, with interest, le

ing expenses of the propert June 1 to June 17. LEFT TO LEGISLATURE

Des Moines, Iowa, Oct. 24.—Gov oll formally announced to-day would not appoint a succe the late Senator Dolliver, adding the legislature, which will me uary, must make the selecti
