NOW THE BOWSER NATAL ACT

The latest Bowser Natal Bill is now an Act, having received the assent of Mr. Joseph Martin, delivered last evenwill be held at 1 p. m. and it will be the Lieutenant-Governor in the Leg- ing, was a very clear and fairly accurislature, as the former abortive bill ate description of the existing political ent executive commit would have done had His Honor re- conditions in British Columbia. It was ceived proper constitutional advice from his ministers. The Premier and his Attorney-General, as eminent counsel learned in the law, have expressed their belief that the bill is a good one with purely personal phases of politics all local South African veterans within the competence of the enacting in general that the rancor and bitter- these will be asked to attend in Khaki. authority. They say they will lose no ness of the disappointed politician distime in enforcing its provisions. It is devoutly to be wished that these genin actual misrepresentation. After portingent, but all who took part in the endeavor to have definitely established traying the character of Premier Mcthe constitutionality of their pet meas- Bride with characteristic frankness ure. They claim to be consumed with and in terms which will be generally a burning desire to keep Orientals and acceptable in the light of recent exall classes of undesirable persons out periences, Mr. Martin said: "And so of the province and to reserve it exclu- Mr. Templeman thought he (Mr. sively for laborers and settlers of the white races. Now that they have got McBride) was a better man than their act, we hope there will be no my humble self." This doubtmore of the tricks and subterfuges less with reference to the manner which have characterized their conduct in which Mr. McBride was called upon members during the Paardeberg lun in the past plainly for the purpose of to form a government. What are the cheon. The membership report showed keeping the question an open one, pal-rably in the interests of their friends about 300 members, while the financial report is very satisfactory. The question an open one, pal-facts in regard to that unfortunate report is very satisfactory. The question are the full court, Mr. Martin took first the chief employers of Oriental labor, episode in the political history of the tion of merging the offices of secretary the chief employers of Oriental labor, and for the purpose of gaining all the political capital out of it that there believed in the pointed instory of the political capital out of it that there believed in the pointed instory of the political capital out of it that there believed in the pointed instory of the political capital out of it that there believed in the pointed instory of the form of Mexican opals, and for the purpose of gaining all the province? Mr. McBride was the actual that of baving selected and notice will be posted to alter the constitution to this effect. The report of Princess go by at the time the accident of the political capital out of it that there is a constant of the political capital out of it that the political capital out of it that the constant of the political capital out of its and the political capital out of its analysis. The political capital out of the polit is in it. Mr. Bowser claims to have the time of the dismissal of Premier the nominating committee was re- happened. The engines of the Princess, step, Miss Grandy and W. Mitchell. tinker with it in the hope of Japan entering an immediate protest with the party, the most prominent elements of there is so much talent to draw from.
