

THE SALON BOYS TAKEWELL

What a world of trouble it is,
What a world of trouble it is,
What a world of trouble it is,
What a world of trouble it is,

Who would not be a salon boy,
Who would not be a salon boy,
Who would not be a salon boy,
Who would not be a salon boy,

To tell the world of it,
To tell the world of it,
To tell the world of it,
To tell the world of it,

To tell the world of it,
To tell the world of it,
To tell the world of it,
To tell the world of it,

To tell the world of it,
To tell the world of it,
To tell the world of it,
To tell the world of it,

To tell the world of it,
To tell the world of it,
To tell the world of it,
To tell the world of it,

To tell the world of it,
To tell the world of it,
To tell the world of it,
To tell the world of it,

To tell the world of it,
To tell the world of it,
To tell the world of it,
To tell the world of it,
