

## LA VIE CATHOLIQUE

L'ESPOIR DE LA FRANCE CATHOLIQUE

La Jeunesse étudiante

Un religieux français écrit de Paris: Il y a ici dans la jeunesse un mouvement magnifique, non seulement de foi, mais de piété. Un groupe d'étudiants de l'Université font l'oraison quotidienne, parfois de 11 heures à minuit, cela chaque fois qu'il leur a été impossible de la faire dans la journée. En même temps que l'esprit surnaturel fait ses remarquables conquêtes chez nous, le dégoût du libéralisme et du parlementarisme ne cesse d'augmenter partout.

Comme autre preuve de ce mouvement remarquable de piété et de réaction catholique dans les jeunes âmes françaises, nous avons le témoignage d'un prêtre canadien-français de nos amis qui est arrivé récemment d'un voyage en France et qui a fait le passage sur un paquebot de la Ligne Transatlantique, en compagnie de deux jeunes architectes de Paris s'avançant à Cuba en mission officielle pour y travailler, sur la demande du gouvernement de l'Ile, à l'embellissement de la Havane. Notre ami, prêtre distingué du diocèse de Chicoutimi, remarquant la tenue excellente de ces jeunes Français et leur respect pour le prêtre, entra bientôt en conversation avec eux et ne tarda pas à apprendre qu'il avait affaire à des disciples de Jacques Maritain, l'éminent philosophe de l'Institut catholique de Paris. Les deux jeunes admirateurs de saint Thomas d'Aquin furent heureux de montrer à notre ami une édition portative de la Somme théologique qu'ils avaient emportée avec eux afin de pouvoir chaque jour en déguster quelques pages.

Pour un signe des temps, en voilà un! — S. I. C.

### GARE A LA THEOSOPHIE!

Nous vous mettons en garde, vous les Canadiens, contre un mouvement considérable et dangereux qui va en ce moment de l'Orient vers l'Occident: c'est la propagande théosophique, qui se fait par le livre, la revue, le journal et la conférence, avec Madame Annie Besant comme prétrice de ce nouveau culte à fond de panthéisme révéleur, cherchant à se répandre en Occident sous le patronage de Bouddha et des solitaires philosophes Indous. Défiez-vous de ces petits Malhomets en habit et manches pour certes littéraires en mal de nouveauté! — S. I. C.
