

It is understood to be necessary that Day Students should spend at least two hours daily in study at home. Parents may be assured that something is wrong unless this is done.

Punctuality in the attendance of Day Students is of the utmost consequence. Tardiness results not only in loss to themselves, but in injury to classes, and tends to general disorder. Tardiness and unexcused absence will stand against deportment on the cards. All excuses must be signed by the name of Parent or Guardian. Day pupils should be present at the Roll Call in the morning; absence often causes serious inconvenience.

#### VISITING AND RECEIVING VISITS.

STUDENTS' RECEPTION DAY.—Saturday afternoon from 2 till 5.30.

Visitors are not received in the evenings or on Sundays.

All persons except immediate relatives, wishing to visit students are expected to present a letter from Parents or Guardians, or to be otherwise *suitably* introduced. Visits without this preliminary must be declined.

Students are allowed, at proper times to visit such families as the Parents and Guardians may name to the Governor or Principal, but not to remain out over night, or over the Sabbath, except at the house of some near relative. Friends who are inviting must call for the young ladies and return with them.

They will not visit any but the families inviting them, nor be allowed to visit from the house, make calls, walk about the streets, or visit shops and stores. Where this rule is violated students cannot be allowed to visit.

Young ladies are not allowed to *accept* invitations before they have been submitted to the Principal.

It is useless for friends to write our pupils to meet them at the depot or at hotels. Permission to do so is rarely given.

It is hoped that persons *entitled* to call upon students will adapt themselves to the hours of the institution. Officers would not like to disoblige, but must refuse permission to students to see their friends during recitation hours (from 9 to 2), except in *very Special cases*.

The most convenient time to see our pupils is from 2 to 3.

#### SHOPPING.

It is desired that students should be supplied, if possible, with all necessary things before leaving home. To provide, however, for neces-
