

THE WEATHER.

Maritime—Decreasing north-west to west winds; fair and cold.

Washington, Jan. 18.—Forecast: Northern New England—Fair, slightly warmer Monday, Tuesday, more and warmer, moderate variable winds.

Toronto, Jan. 18.—A disturbance which was off the middle Atlantic coast on Saturday morning has since moved north-eastward as a severe storm off the coast of the Maritime Provinces and Newfoundland, while an area of high pressure with moderately cold weather now covers the country from Ontario eastward. There are indications that another cold wave will spread into the western provinces from the northward.

A CLEAN CITY IS A NECESSITY, SAYS SPEAKER

Rev. W. H. Barraclough, in Forceful Address, Points to Benefits—Men Out of Place.

If some men were sent to heaven they would be out of place there, and such men may hold high places in the community too, said Rev. W. H. Barraclough in the course of a sermon in Centenary church last evening. His subject was "The Clean City."

Starting out with a description of the city of God, as revealed to some of the prophets, he said, it was unfortunate that we had come to regard that picture as merely symbolic. A perfect city was one to which there would enter nothing that defiles.

Conditions have materially changed since ancient days. In the city of antiquity the palace and the hovel were side by side, the splendid Roman highways were joined to squalid alleys, splendor and affluence were associated with misery and poverty. Some might say the same conditions prevailed now, but there had been a material improvement.

FEAR JOHN HODD WAS KILLED IN MAINE WOODS

Letter Received from Jordan Lumber Company, by Chief Clark, asking for Relatives—William Hodd of 20 Merritt Street, believes Victim his Son.

That Arthur Hodd of this city, son of William Hodd of 20 Merritt street, North End, was accidentally killed in Oldtown, Maine, is the belief entertained by his relatives and friends in this city on the strength of information from that place received in the city on Saturday. Although the message does not state definitely that the victim of the accident was a son of William Hodd, it does state that he had been working in the Maine lumber woods, and as William Hodd last heard that his son was working in the lumber woods of Maine, he feels confident that the Arthur Hodd, who has been killed, is his son.

News of the accident came from the Jordan Lumber Co., Oldtown, Maine, to Chief Clark, asking the address of relatives, who belong here and asking what action was to be taken. No particulars of the accident were furnished.

William Hodd of Merritt street was yesterday informed of the matter and to dispel all doubt he telegraphed the lumber concern last evening asking for a description of the man. He is almost positive, however, that the dead man is his son.

Arthur Hodd left the city about a year ago and has not been in regular communication with his father. Recently, however, a man in the city reported to Mr. Hodd that he had seen his son in the Maine lumber woods. This almost proves beyond doubt that the Arthur Hodd referred to is his son. The name Hodd of this city figured prominently in local amateur baseball and later played professional ball in Detroit.

The following letter was received in the city:

Oldtown, Maine, Jan. 16, 1914.

CHIEF OF POLICE,
St. John, N. B.

Dear Sir:—We had a man killed in the woods a few days ago and we are unable to locate his parents or find where he came from. His name was Arthur Hodd. Will you kindly make inquiries and if you can learn anything about him let us know.

Yours truly,
JORDAN LUMBER CO.

THE O-CEDAR MOP AND POLISH
Mark a New Era in Cleaning and Dusting

With them you simply pass the O-Cedar Mop over the floor and every particle of dust and dirt is taken up and held. The floor is given a hard durable lasting polish and finish. The Mop is made with a quick detachable steel centre enabling the mop-head to be removed and replaced without an effort.

AROUND THE CITY

Travellers Smoker.

It is expected that the usual commercial travellers smoker will be arranged to occur about Easter of this year.

Taken Suddenly Ill.

On Friday afternoon Dr. Dalton was called to Simms' factory to render medical assistance to a girl employe who had taken suddenly ill.

St. Peter's V. M. A.

Before a large audience in the St. Peter's Society rooms, Douglas Ave., yesterday afternoon, Rev. Father Hogan, C.S.S.R., repeated his lecture on "Papacy and Church History." The lecture was very interesting and listened to attentively by all present.

Eel Curing.

Some weeks ago J. S. Armstrong asked the city for the exclusive privilege of fishing eels in the harbor, with a view to starting a new industry. In other countries the catching and curing eels is a very profitable business. In Germany, Hamburg smoked eels are worth 45 cents a pound, and prices are increasing.

A Presentation.

In Ludlow Street Baptist Sunday school yesterday afternoon Superintendent R. H. Parsons was presented with a gold mounted fountain pen by the officers and teachers of the Sunday school as a token of their appreciation of his valuable service. The presentation which was accompanied by a well prepared address was made by Honorary Superintendent John F. Ring.

Enjoyable Smoker.

The rooms of the St. John Conservative Club were the scene of a pleasant impromptu smoker on Saturday evening, when with a large attendance, a jolly good time was had. The programme follows:—bag pipes, Fred Hayter; vocal solo, Sam Holder; vocal solo, E. A. Job; recitations, Frank Kierstead; violin solo, James Sprond; bag pipes, Fred Hayter. C. M. Ling delivered an address. Dr. James Manning was master of ceremonies.

Seamen's Institute.

The Saturday evening temperance meeting, held under the auspices of the W. C. T. U., was well attended, and twenty-four pledges taken after the fine temperance address of the Rev. Mr. Crisp. Mrs. Seymour presided. Coffee and cake were provided during the evening. On Sunday evening song service was held and President Morton Smith gave a most helpful message to the sailors. Mr. Walker sang several solos, and Miss Thompson played several pieces. Five of the crew of the schooner Greta, which was wrecked in the Bay of Fundy arrived in the city on Saturday and have been provided with board and lodging by the management of the Institute.

SAILOR SHOT IN THE LEG

Jake Paden Received Nasty Wound in Accident on Board, S.S. Burrfield—Taken to Hospital.

Jake Paden, a sailor on board the steamer Burrfield, was wounded in the leg by a bullet from a revolver in the hands of another sailor named Croley, Saturday afternoon. The story as told yesterday was that Croley had been paid off and had gone up town on a buying trip. He had returned to the ship and was in the forecastle showing his purchases when the accident happened. He was showing a new revolver to an admiring circle of fellow sailors when in some manner the weapon was discharged and the bullet entered the leg of Paden. The injured man was given prompt attention and Dr. Kenney was summoned. After dressing the wound he ordered the sailor's removal to the General Public Hospital.

His condition is said to be in no way serious but he will likely be confined to the hospital for several days.

Grand Sailors Concert.

In the Seamen's Institute hall last night at eight by the crew of the Allan Ross Respiration. Admission 10 cents.

Water Expert Aids to Find Leak in Big Main

Making Tests on No. 3 Pipe at Marsh Bridge, and Notes Decrease in Pressure—Two Gangs of Men at Work Saturday Night—Com. Wigmore on Duty

A break occurred in one of the water mains running through the cemetery a little before ten o'clock Saturday night, and the water had to be shut off No. 3 pipe while it was being repaired. Owing to the break some of the houses on the higher levels were without water for a time, but there was a good supply on the lower levels.

Com. Wigmore with the water expert, Mr. Goldsmith, the city engineer and other officials were out to Lake Lathmer during Saturday afternoon making inspection of the water service, and at ten o'clock they were at the Marsh bridge taking tests of the water pressure. They noticed that there was a decrease in pressure on No. 3 main, and it was soon discovered that there was a leak in the pipe in the cemetery off the Main road, where the woods have grown up.

WILL GO TO MONTREAL TO KEEP PEOPLE IN

Rev. M. F. McCutcheon, Accepts Call—Will Take up New Duties Early in March.

Rev. Miles F. McCutcheon, who for the past three years has been pastor of the Brussels St. Baptist church, definitely announced to The Standard last evening that he had accepted the call to the First Baptist church of Montreal, and would take up his new duties probably on the first Sunday in March. Rev. Mr. McCutcheon succeeds Rev. J. A. Gordon, D.D., who has accepted the professorship of pastoral theology and homiletics at Brandon University.

General regret was expressed by the members of Brussels St. Baptist church, last evening, when at a special meeting, held after the regular service, Rev. Mr. McCutcheon announced his intention to accept the call to Montreal. Coming to the Brussels St. church in June, 1911, Rev. Mr. McCutcheon by his ready sympathy and thorough understanding of the work soon won for himself a warm place in the hearts of his congregation.

Rev. Mr. McCutcheon was born at Cambridge, Queens county, and before attending college taught in the schools of this city for some time. He left to enter Acadia College from which he graduated in 1908. He studied theology at Newton Theological Seminary, graduating in 1911 being called to the Brussels St. Baptist church shortly afterward. It is interesting to note that while still a student Rev. Mr. McCutcheon supplied in the Brussels street church from June until September, 1910.

Rev. Dr. Gordon, whom he succeeds in Montreal, was formerly a pastor of Leinster street and Main street Baptist churches.

TAKEN ILL IN STREET DEATH CAME QUICKLY

Miss Catherine R. Gallivan Died Saturday Evening—Was Suddenly Taken Ill on the Street.

Death came suddenly, and almost without a moment's warning, to Miss Catherine R. Gallivan, who passed away Saturday evening at the home of her sister, Mrs. Mantle, 83 Broad St.

Leaving her sister's home early in the evening, apparently in the best of health, she deceased, who was a daughter of the late John Gallivan of this city, was suddenly taken ill while on the street and died within a few minutes after she had returned home.

The late Miss Gallivan, who was about fifteen years of age, resided in Fairville, but during the past week was visiting at the home her sister, Mrs. Mantle.

Miss Gallivan, accompanied by her mother and sister, Mrs. Mantle, left the home of the latter on Broad street about nine thirty o'clock Saturday night and while walking along the street the deceased was suddenly taken ill. After a hurried return home a call was sent to Dr. Barry, but before he arrived Miss Gallivan had passed away.

Besides her mother, Mrs. Gertrude Gallivan of Fairville, the deceased leaves to mourn three sisters, Miss Annie Gallivan, school teacher at Fairville, Mrs. Mary Mantle and Mrs. David Mantle. A brother, Stephen E. Gallivan of Hamilton, Ontario, also survives.

The funeral will be held Tuesday morning in St. John Baptist church (Lower Cove), where there will be a requiem high mass.

PRESENTED WITH BADGE

F. O. Burr, captain of Hose Two, was on Monday evening last presented with a handsome gold badge by the men of the company, as a token of the esteem in which he is held among them. The presentation was made by Chief Mason at the home house, in the presence of a large gathering of the members. Capt. Burr responded with a few well chosen words, after which the cigars were passed around. Mr. Burr has been a member of the fire department in this city since 1885, having been at Hose One before removing to Ward Two. He was for a number of years lieutenant of his company before being promoted to captain.—Bangor News.

Mr. Burr was here with the Bangor hosemen in 1907, when the great tournament was held, and he made many friends in this city. "He is there because he is there." Good luck captain!

The Post Moore

In the lecture course of Branch 134, C. M. B. A., the speaker last evening was Mr. C. Wilson, who chose for her subject "The Post Moore." Mrs. Wilson's lecture showed the result of careful preparation. She spoke interestingly, giving a good description of the author and his works. During the lecture some of Moore's melodies were nicely rendered by the pianist. The audience was large and the keen appreciation of the lecture was clearly shown.

Window and Door Glass

The large variety of Window and Door Glass we carry makes it comparatively easy to please any customer.

ENGLISH and BELGIAN WINDOW and DOOR GLASS. All sizes in 16 oz. and 24 oz. weights.
