OFFICIAL REPORTS

FRANCE

Paris, May 31, 10.35 p. m.—The following official communication was issued tonight: "On the Yser front there has been an artillery engagement. In the region to the north of Arras we have made new progress. "On the road from Souchez to Cerey we have taken possession of the Malon Mill and the German trenches which extended from the mill to the sugar refinery at Souchez. We made about fifty prisoners. "In the region of the Labyrinth, after having repulsed a German counter-attack last night, we organized the positions gained. "The enemy delivered no infantry attack today; he merely bombarded our front. "On the outskirts of Le Pretre forest there has been only an artillery action. In the course of the engagement on May 30 we took two machine guns."

BELGIUM

Havre, May 31, 11.40 p. m.—The following official statement of the Belgian operations of May 30 was made public here this evening: "During the day the enemy artillery was very active. At night it bombarded our advanced positions, one of our bridge-heads and the villages of Noordachte and Oostvlieteren. Our batteries dispersed the enemy on the Crootegheten and Schoorbakke roads, as well as working parties around Blauwputteken." "Young People's Society. The closing meeting of the Young People's Society of Main street Baptist church was held last evening, there being a large attendance. W. W. Chase presided. Reports read showed that the society had held successful gatherings during the fall and winter, and that \$50 had been raised for foreign missions. After the business of the meeting had been transacted a lecture was given by F. J. Punter on "The Torpedo as used in the British Navy." Mr. Punter explained in an interesting way the methods adopted in connection with the manufacture and the manipulation of the torpedo particularly with reference to the control of the weapon as regards speed and direction and recovery where it falls to meet the objective. The lecture was illustrated by drawings. During the evening refreshments were served. The next meeting of the society will be held in September.

A POST-GRADUATE UNIVERSITY IN CANADA

Holds of Dominion Colleges to Select University as Substitute for German Institutions.

Toronto, May 31.—An important gathering of heads of universities and colleges in Canada will be held here tomorrow to devise a scheme for fixing some Canadian university as a post-graduate centre. Formerly students went to the famous universities of Germany for post-graduate courses. It is now necessary to provide a suitable substitute at home. Among those who are to take part in the conference are: Dean Brock of British Columbia; Principal McKenzie, New Brunswick; President Powell of King's College, Nova Scotia; Prof. Veachon of Laval; President MacLean, Manitoba College; Winnipeg; President Peterson, McGill, and President Murray of Saskatchewan. They will be entertained at luncheon by the Ontario government tomorrow.

ABOUT THE BOXERS

It does not look very promising for a bout between Matt Baldwin and Charley White at the Atlas A. C. Eddie Murphy, manager of Baldwin, submitted his terms to the club and they were rejected. Manager Murphy felt that Baldwin is worthy of as much consideration as White, especially in Baldwin's home city. The club officials could not see it in that light. Manager Murphy cannot be blamed for the stand he takes in the matter. Young Ahearn and Leo Houck have been booked for a bout at Albany June 7.

Mike Glover, the South Boston welter, who will clash with Matt Wells, the English boxer, at the Atlas A. A. tonight, is displaying such form in his training that his friends will back him to the limit to defeat the Englishman. Glover is showing a lot of speed and cleverness besides a good wallop with both hands. He is already close to the weight and feels stronger than he ever did in his life.

Jeff Smith, the New Jersey middleweight, has got himself in so bad in Australia that he is barred from boxing there in the future because promoter Snowy Baker said that Smith and Darsey faked in their recent recent bout in Sydney. Smith's end of the money, amounting to \$2,400, was given to the Red Cross.

The Albany promoters threaten to clash June 7.

Gus Christie and Billy Mickie have been matched to box at Dubuque July 4.

Mike Gibbons received \$1,200.00 for his bout with Leo Houck in New York Wednesday night. Houck got \$317.

KING CRITICALLY ILL

KING CONSTANTINE OF GREECE

The condition of King Constantine of Greece continues to be critical, and grave anxiety is felt through Greece. The King is forty-six years of age and was active recently in overturning the war party in Greece.

Mr. Hannington, citing authority for his objection, asked leave to cross examine the magistrate as to whether any promise or inducement had been held out to Mrs. Johnson under which she made the disposition. The magistrate swore on cross examination to Mr. Hannington that before Mrs. Johnson went on the stand there was some talk between her and the clerk of the peace, Mr. Bray, as to her liability in case she gave evidence at the preliminary trial and that Mr. Bray had requested the magistrate to read over the section of the law bearing on this subject in Mrs. Johnson's hearing. The judge asked the witness if he believed Mrs. Johnson understood she was being protected by this section of the law, the magistrate replied that he believed Mrs. Johnson did think so at the time. His Honor then ruled that these depositions were inadmissible in evidence. The same objections were taken to another statement made before the magistrate were also offered, objected to and ruled out.

Mrs. Fannie Newcombe of Hopewell Hill swore that about July her attention was called to Mr. Carl Johnson who was lying apparently very ill in the highway in front of her home about eight o'clock in the morning. Archie L. Barkhouse, a ship laborer, swore that on Monday, the 6th of July, he saw Carl Johnson on the wharf, about a mile from Mrs. Newcombe's house apparently very ill, he was leaning over the edge of the wharf and vomiting. He was asked if Johnson said anything. This was objected to and ruled out. There being no other witness present court was adjourned until 9.30 o'clock tomorrow morning.

Will Present DAVID BELASCO'S GREAT WESTERN DRAMA

"THE GIRL OF THE GOLDEN WEST"

Five Thrilling Reels JESSE L. LASKY AND DAVID BELASCO, presenting together the film version of "The Girl of the Golden West," the record-breaking Belasco dramatic achievement, hope that this romance of the mountains in the days of California gold-rush of '49 will prove worthy to become an established classic of the film. After being offered literally thousands of times in its original form, "The Girl of the Golden West" became an opera and part of the repertoire of the Metropolitan Opera House. But both drama and opera are less than the photodrama, which remains an everlasting record, while living artists come and go. That this final form of the greatest of all American western dramas may be suitable to stand all the tests of time, the Lasky organization has strained every means at its disposal to make "The Girl of the Golden West" an absolute screen standard.

HAD DYSPEPSIA So Bad Could Not Take a Drop of Water Without Suffering.

Dyspepsia is one of the most distressing diseases of the stomach there is. You eat too much. Drink too much. Use too much tobacco. You may stomach work overtime. You may perform more than it should be called to do. The natural result is to get going to rebel against the work put on it. It is only a matter of short time before dyspepsia follows. That old, forty year old Mr. Burdock Blood Bitters, with its medicinal properties, has cured thousands of testimonial letters we have received from time to time.

Miss Sarah McRae, Newfield, writes: "I write to say that I have your Burdock Blood Bitters, and found it the best remedy I have used for dyspepsia. Two years I had stomach trouble so bad I could not even take a drink of without suffering. I took six bottles, and have been entirely well since. I can now eat anything with but after effects." Burdock Blood Bitters is an excellent remedy but on account many substitutes we would ask both the label and wrapper preparation is manufactured by The T. Milburn Co., Limited, Ont.
