ELEVEN YEAR OLD
VICTIM OF DROWNING
AT HOPEWELL HILL

Orangemen of Albert County celebrate Boyne Anniversary at Alma — Large attendance from all over county.

Hopewell Hill, July 13.—A sad drowning accident occurred yesterday afternoon about five o'clock, when Harold, the eleven year old son of Mr. and Mrs. Judson W. Steeves, met his death at the Public Wharf. The lad in company with his thirteen year old sister and another little girl were playing and picking berries near the wharf when the little fellow took a notion to climb down the upright ladder which led from the wharf to the water. When about three rungs from the bottom he fell into the water striking on an exposed stone which made a deep hole in his skull. Death is supposed to have taken place before striking the stone. One of the teams engaged in hauling deals to the wharf happened to be there at the time, about 30 feet away and the driver came to the call of the little girls, but by the time he arrived and descended the ladder the body was too far away to reach. He returned to the village a distance of over a mile for assistance, and the body was soon recovered by Percy Russell and others. The coroner, Dr. S. C. Murray, of Albert, was summoned and an inquest held late in the evening. The jury was composed of James Russell, foreman, Charles O'Regan, Eben Steeves, Tommie Wright, Howard Steeves, Wesley Newcomb, Geo. W. Newcomb. The witnesses examined were Freeman Robinson, Percy Russell, Leta Steeves and Evelyn Steeves, the little boy's sister. The verdict of accidental death was brought in at a late hour. The funeral will be held on Wednesday. Great sympathy is felt for the sorrowing family and the sad event has cast a gloom over the community. The Misses Amy and Annie Kelver, of Moncton, came on Thursday to visit relatives. The latter will remain for a few weeks. John Barkhouse, while engaged in work on a barn in Hillsborough, fell some distance to the ground breaking two ribs and dislocating his shoulder. Dr. Lewis rendered the necessary medical aid.

Thad Stevens, son of Coun. H. J. Stevens, Baltimore, Albert Co., with his wife spent Sunday at the home of his brother J. C. Stevens. For the past few years Mr. Stevens has been conducting a number of enterprises in Montserrat, P.E.I., but has enlisted with the 26th Battalion.

Fred Stevens, wife and children, of Baltimore, also spent Sunday with relatives here.

The annual school meeting of District No. 2 took place in the school room yesterday morning with R. Smith as chairman. The retiring trustees, James R. Russell, was succeeded by George W. Newcomb, who took the declaration; Fred G. Moore was re-elected auditor. The sum of \$570 was voted for school purposes. It was found by the accounts about a third of the total assessment had not been collected. For the first time a number of lady ratepayers were present.

The Orangemen of the county celebrated the 12th at Alma. The weather was good and there was a very large attendance from different parts of the county. Rev. Mr. Powell of Harvey took the part of King William and preached the sermon of the day. Several ladies were present and an enjoyable day spent by all.

Crs. Elmer Tinsley of Waterville was struck yesterday by an auto and received a bad shaking up, but no serious injuries were sustained although she was one of a number of six who went over an embankment in a car race.

ANNUAL TOWN MEETING
OF HARTLAND, N. B.

Financial report shows a surplus of \$603.17 for the year—Victoria County votes \$100 to Red Cross.

Hartland, N. B., July 12.—At St. Matthews' Episcopal church, Ottawa, on Wednesday last the marriage took place of Rev. Burton W. Morgan and Miss Bella Mae Vallée. After a wedding feast the young couple entertained for Hartland, arriving here on Saturday, where they will be the guests of Mr. Morgan's parents for a few weeks. Monday evening the band serenaded the couple and were afterwards entertained by the groom's parents.

After several untoward events the Knights of Pythias delegation got away on Wednesday evening to pay a fraternal visit to Ivanhoe Lodge at Woodstock. Just before starting the auto belonging to Scott Sippell blew its muffler all to pieces and nearly put the car out of commission. With a little tinkering it was made "seaworthy" however. One of the first things to get away was that of Mr. T. G. Simms. He got as far as the western end of the bridge when the steering gear went wrong and the machine with its load went over the side hill, but fortunately brought up before rolling over into the river, in which event there would surely have been some fatalities, as the drop is a steep one. The other cars, five in number, made the journey in fairly good order. The visit of the Hartland Knights to their Woodstock brothers was of a very pleasant nature and they were royally entertained by their hosts. The return journey was made in good time and without mishap, although the night was dark and the roads in bad shape from a heavy rain during the evening.

Miss Laura Howard, teacher of the primary grades in the school here, has gone to Hampton to spend her vacation with her parents.

Mrs. H. M. Stevens is making an extended visit to friends in Fairville and St. John. She was wedding on Tuesday at St. John's Baptist church.

Mrs. Constantine and little boys are on a visit to her former home in Petticoat.

The death took place at Knowlesville on July 12 of Mr. John Avery at the age of eighty-eight years. He was a native of Cornwall, Eng., and a young lad came to Sussex Vale with his parents, later removing to Knowlesville, where at his death he was the oldest resident, widely known and highly esteemed. He leaves a large number of descendants. He was a life-long Methodist and the funeral services were conducted by Rev. J. B. Gough.

On Wednesday, the 21st, the congregation of the Church of England at Deaford are to have their annual picnic.

The Victoria County Council at its meeting last week unanimously granted the sum of \$100 to the Red Cross Society to be divided among the branches in the county.

Harvey Reid, a Hartland boy, now engaged in battling for his country's honor, in writing to his mother here makes an appeal for socks, towels and flannel shirts for the fifty men under his command. He is with the King's Horse, a British regiment, but there are some Canadians in it and he says he would feel a certain amount of pride in presenting to his fifty subordinates the articles called for as a special gift from his own home town, knowing they would bear favorable comparison with those furnished from other sources.

There was a most successful school picnic at Windsor on Dominion Day. Besides the catches and games there was an oratorical demonstration headed by Mr. R. L. Simms. Everybody enjoyed themselves.

The people of the Baptist church at Windsor expect to replenish their treasury from the proceeds of a picnic on Thursday, the 15th.

The ladies of the congregation of the Church of England here had a food sale on Saturday which realized about \$15 towards the church building fund.

The management of the Centreville Hotel has been taken over by Mr. Burton Hawkins.

The annual meeting of the Hartland village fire and water commissioners, otherwise known as the "town meeting" was held last Monday night in the house home. The reports of Secretary Simms and the auditor were quite satisfactory, showing a surplus for the year's business of \$603.17. This year some extensive improvements will be made to the "town hall," including the finishing of the assembly hall upstairs, the putting on of a steel roof, painting the building, etc. The assessment for 1916 was placed at \$1,500, this including a sinking fund of \$250.

Miss Ruth Smith of East Florenceville is visiting friends and relatives in St. John.

Denies Report of Transfer Plans.

New York, July 13.—Pres. Edward Barrow of the International League today declared as untrue reports that the Buffalo and Jersey City clubs would be transferred to Scranton and Reading. Such a move has never been contemplated, he added. The International League, he said, is planning to return to Newark next season.

During the year a large amount of money has been raised by the Institute, and recently enough has been collected throughout the parish of Hillsborough to endow two beds to the Clivedon Hospital. One has been forwarded, the other will follow shortly.

It was moved and carried at the meeting that the amount of money in excess of what was needed for the two beds, be expended for the Shorncliffe Hospital in general. Mrs. Osman gave a very interesting paper, in address and Mrs. Frank Gillespie read a most thoroughly prepared paper on "Which has the Greater Influence on Character, Environment or Heredity?" At the close of the meeting a delicious supper was served on the lawn. Among those present were Mrs. Walter Steeves, Mrs. Osman, Mrs. Robertson, Miss Addie Steeves, Mrs. F. J. Steeves, Mrs. J. W. Mrs. A. E. Eardley and children of Fredericton are visiting Mrs. Eardley's parents, Capt. and Mrs. Smith.

Mrs. Sutherland of Isaac's Harbor, N. S. is visiting her daughter, Mrs. W. A. Snelling at the parsonage.

The change in the mail service between St. Martins and St. John by which the auto has replaced the stage is much appreciated by people living on the road and the return trip on the same day has filled a want.

On Sunday morning the members of St. Martins' Orange Lodge with three of the neighboring lodges marched to the Episcopal church, the ladies of the order drove; when the Rev. F. J. Leroy gave a most appropriate discourse for the occasion.

ANNUAL MEETING OF
ARROSTOCK JCT. SCHOOL
FOURTH DISTRICT

Arrostock Junction, N. B., July 12.—The annual school meeting was held in the hall, Arrostock Junction, at 10 a. m., July 12th, and was well attended by ratepayers from all parts of the district, about 50 being present.

The proceedings commenced by appointing Mr. Demmings, chairman, and the financial accounts were read by the secretary, Mr. T. H. Manzer, which made an excellent showing, the school taxes having been collected with only two exceptions, amounting to \$2.45, and in addition to paying \$250 for a plot of land for New schools there was a balance in hand of \$144.51.

Mr. D. S. Boone, trustee, then gave the report of the trustees for the year, explaining what had been done with reference to proceeding with the erection of the new school, for which \$7,000 had been voted last year. It might be stated here that owing to the superintendent of schools advising that rooms specified would be too small for government approval, another \$1,500 would have to be expended, and after a lively debate, and some opposition from one or two local farmers, the additional money was voted, and the school will be built at once, a contractor named Steeves of Woodstock having the contract.

Messrs. D. B. Hopkins (retiring trustee) and Lewis Rivers were nominated for trustees, D. B. Hopkins elected.

Messrs. J. Langley and Mr. Warring were nominated for auditor for ensuing year. Mr. Langley elected.

The auditor, Mr. Langley, read his report, which was accepted.

Proposed by Mr. D. S. Boone, seconded by Mr. C. S. Gains, that assessment for school purposes be \$1,500. Carried.

The question of selling the old school house was left in abeyance for this year.

The question of trying to secure a superior school for Arrostock Junction was next taken up, Messrs. H. H. Hopkins, L. C. True and C. S. Gains, being appointed a committee for that purpose.

Moved, seconded, and carried that a committee be appointed to bring before the Legislature the question of railwaymen working out of Arrostock Junction, and being on that payroll, paying their school taxes at that point.

Committee appointed, A. E. Palmer, C. S. Gains and L. C. True.

The meeting then adjourned.

AILING WOMEN
OF MIDDLE AGE

Mrs. Doucette Tells of her Distressing Symptoms During Change of Life and How She Found Relief.

Belleville, Nova Scotia, Can.—"Three years ago I was suffering badly with what the doctors called Change of Life. I was so bad that I had to stay in bed. Some friends told me to take Lydia E. Pinkham's Vegetable Compound and it helped me from the first. It is the only medicine I took that did help me, and I recommend it to all women who are suffering from the same trouble."

Such warning symptoms as sense of suffocation, hot flashes, headaches, back-aches, dizziness, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly headed by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.
