Dominion Day
Meet At Sussex

Over Fifty of the Best Athletes in Maritime Provinces Have Entered.

Special to The Standard
Sussex, June 29.—The executive of the S. A. A. are sparing no effort or expense in putting everything in top order for what promises to be one of the best athletic meets ever held in the Maritime Provinces. Many of the best athletes ever seen in action at a Maritime athletic meet will take their places at the proper time and there will be no lagging. Spectators will have their eyes on something good all the time.

The day's sports will start with a baseball game at 10 o'clock in the morning between Sussex and Penobscot. The game will be a real battle royal as Penobscot has won last week and the locals are anxious to win back their laurels. Both teams are putting up great ball and the fans will see something worth taking in.

The sports in the afternoon will start at 7:15 o'clock. Entries have been pouring in from all sections, in the vicinity of 60 having been received up to Wednesday. Entries mailed previous to that date will also be eligible.

Cups and medals will be awarded in all the events and Senator George W. Fowles has presented a beautiful sterling silver cup for highest team aggregate. Competition is bound to be keen for this trophy, as it is probably the best ever offered in Eastern Canada for an athletic meet.

An additional attraction and one that will no doubt draw a big crowd of visitors will be St. Francis Xavier church picnic, which is to be held on July 1st. Rev. Father McDermott has made special arrangements for the accommodation of those attending this picnic and it will be a great opportunity for visitors to Sussex on that day to secure a good meal at a moderate price. A brass band will probably be in attendance and furnish music for the day.

NEW ATTEMPT TO STOP BIG FIGHT
Jersey City, June 29.—Rev. H. B. Wright, representing the clergymen's community club, of Jersey City, today laid before prosecutor Garven a bill of complaint to stop the Dempsey-Carpenter bout here Saturday.
A letter accompanying the bill charged the principals and the promoters with conspiring to "pervert the boxing or sparring law and also to violate the crimes act prohibition prize fighting."
H. C. Gibson, of counsel for the clergymen, said affidavits had been submitted and witnesses were prepared to appear before the grand jury or to testify in whatever action the prosecutor may take.
Assistant Prosecutor Clarke told Mr. Gibson to produce his affidavits and witnesses before the grand jury Friday afternoon.

He assured the attorney the matter would be given a fair and impartial hearing.
Mr. Gibson intimated that should the indictment be returned, he asked the procedure would be to arrest those named, hold them without bail and thus prevent the fight.

Curtain Raiser
At Fredericton

Maine and New Brunswick Circuit Opens at Capital Today.

Special to The Standard
Fredericton, N. B., June 29.—Horsemen are gathering here from all over the east tonight for the opening of the Maine and New Brunswick Circuit tomorrow, when the Fredericton Part Association's curtain-raiser meeting will begin with the introduction of the first twilight racing ever offered in the Maritime Provinces, if not in Canada.

Every stall at the track is filled, and it is expected that newly formed circuit of four tracks in New Brunswick and an equal number in Maine will bring the best harness racing season that has ever been known in the east. R. M. Webber, of Milltown, is here to act as starter, and he has warned the horsemen already that he will put up with no scoring.

The 2.26 pace, which will have first race started tomorrow, will have a field of eight or nine green paces, some of which have already worked miles in 2.16 with the last eighth in 15 seconds and better since they came to the local track. In this list are: High Knob Beauty, a bay pacing mare by Expedition, which Harry C. Jewett, of this city, bought in Chicago, and Confection, daughter of the Northern Man, which Chas. F. Dewitt, of Bridgetown, N. S., paid \$3,000 for at Long Island this spring. Raoul Potvin, the Montreal driver, will have May Gratton, a member of the famous racing family, which he raced through the Maritime circuit last season, and H. G. E. the black pacer Eas H. Kay, which H. G. Kitchen, of this city, imported from Indiana this spring.

Together with Betty Gamage, a bay mare by Kempton, which Bill Brickley, the St. John driver, has in his stable and which is owned by H. C. Robertson, a St. John merchant, comprise the pick of the field; but other starters include: Little Jazz, one of Harry A. Nevers' stable, from Hamilton; Brittan, a bay pacing mare in the Cameron stable, from Massachusetts; Northern Lady, owned by S. Vienneau, of Bathurst, and driven by Jimmie Boutillier, of Halifax; and Thos. Gratton, a veteran campaigner that showed well on the ice here last winter.

The 2.18 trot and pace will be a significant race, because it will bring Border Prince, 2.13½, and Alfred King, 2.13½, together, with Togo M., 2.14½. Alfred King, now in the stable of Harry Nevers, of Hamilton, has won twelve races in eleven starts for Frank Fox last season, and Border Prince has proven a wonderful trotter since he was purchased from S. E. Rice, of St. John, by H. C. Jewett, of this city, who lowered Moosepath Park records at St. John last fall with him. Togo M. was almost unbeatable early last season and was the fastest green trotter out in the east last season. Opposed to this bunch of bear-cat trotters will be two pacers, Signature, 2.18½, owned by L. R. Baker, of Halifax, and Jeffrey, 2.16½, owned by Dr. L. Dec. McIntosh, of Harland. Saskia, 2.16½, the St. Stephen trotter, is the favorite in the 2.31 trot, but the Manor, 2.31½, owned by H. G. Kitchen, of this city, has shown ability to trot 2.15 this season, and it is liable to be a great race between this pair with Dolly Darce, second, 2.20½, and Miss Peter Span, 2.30½, as well as John D. Forbes, unmarked trotter, owned by Charles E. Smith, of Halifax, likely to be factors when either of the favorites make a mistake.

The racing on Thursday starts at six p.m., daylight time. There are four races on the programme for Friday, starting at two-thirty p.m.

**CRICKET MATCH
FRIDAY AFTERNOON**
A cricket match will be played on the Barrack Green, Friday afternoon at two o'clock between the St. John Cricket Club and the City eleven. The following players are selected to represent the City Team:
Capt. Sgt. Weatherall, A. Parfitt, W. Rawling, Beck, T. Smith, H. Sweet, Laidlaw, Darby, Hudson, Jones, Langworthy, Lennox, Keir Stockley.

**IMPROVED TRAIN SERVICE
WOODSTOCK-ARROOSTOOK**
Effective after June 26th Canadian Pacific trains 153 and 154, now operating St. Stephen to Woodstock and return, will be extended to run as far north as Arroostook. Train 154 will leave Arroostook at 4.10 A. M., Eastern Standard and run through to McAdam, making connections at that point with all trains east and southbound. Returning train 153, connecting at McAdam with all evening trains will leave Woodstock at 9.00 P. M., and arrive Arroostook at 11.20 P. M.

This service will be of great benefit to the travelling public generally, and more particularly to those located at points north of Woodstock up to and including Arroostook and they will now be able to make trip to St. John, Fredericton, St. Stephen, St. Andrews, and other points in province and return the same day.
Mixed trains 155 and 156, which carry passengers between Woodstock and Arroostook have been cancelled.

and witnesses before the grand jury Friday afternoon.
He assured the attorney the matter would be given a fair and impartial hearing.
Mr. Gibson intimated that should the indictment be returned, he asked the procedure would be to arrest those named, hold them without bail and thus prevent the fight.
