Catarrh Cures.

All phases of catarrh, acute or chronic, are promptly and permanently cured. It is through its operation upon the nervous system that Pe-ru-na has attained such a world-wide reputation as a sure and reliable remedy for all phases of catarrh wherever located.

If you do not derive prompt and satisfactory results from the use of Pe-ru-na, write at once to Dr. Hartman, giving him a full statement of your case and he will be pleased to give you his valuable advice free.
