Miss Riggs was fortunate to find some fifteen dollars which she had mislaid a few weeks ago and was thought to have been lost or stolen. It was carefully laid away in a drawer.

On the fair grounds, a lady (evidently not of Scottish extraction) was heard to remark, as the Kilts finished a skirl of the pipes, "Why don't they get a band for a change and have some music?"

J. W. McAlpine, who has been in charge of a mission station at Rite, Alberta, for the summer, was home last week and left on Monday to resume his studies at University College, Toronto.

Walter Hailstone received word on Monday from his brother Harry in France, stating that he had been wounded in the hand in battle and expected to be invalided home in about six weeks.

Maurice Gibson, junk dealer, now of London, was taken to Victoria Hospital last week with a fractured skull, the result of a strenuous argument with Harris B. Day, whom he accused of stealing some wire.

Hickory nuts, chestnuts and walnuts will not be as large a crop this season as last year. The long dry spell retarded their growth and many fell off the trees, which will account for only about half a crop.

Owing to changes at Canadian headquarters in England, it is said that Col. A. D. McKee, son of Mrs. Mary McKee of Glencoe, who is succeeded as quartermaster-general by Col. Neill, will become deputy minister of militia.

Word has been received that Pte. Andy Devlin, a former member of the 7th Battalion, has been wounded as reported in Friday's list. He is a son of Geo. W. Devlin, formerly of Appin, and a grandson of Mrs. John Devlin, Appin.

The death occurred at the residence of his son, John Webster, Clay street, Dunwich, on Sunday night of one of the oldest residents of that township, in the person of William Webster, aged 92 years, Mr. Webster resided for many years at Cinnah.

David A. McCall, Longwoods Road, Ekfrid, had a remarkably good yield of grain this season notwithstanding the unfavorable weather conditions throughout the summer. He had nearly one thousand bushels of wheat in all, including 167 bushels of wheat off 20 acres.

Anniversary services will be held in Knox Church, Newbury, on Sunday, October 8th, morning and evening. Rev. Kenneth Macdonald, D.D., of Galt, will be the preacher for the day. Special music will be furnished by the choir, assisted by Mrs. Webster of Melvin, Sask.

Mr. and Mrs. John Hurley of Denver, Colorado, have returned home after a two weeks' visit amongst friends and relatives hereabouts and with Mr. Hurley's mother and brother at West Lorne. Mr. Hurley conducted a barber shop in Glencoe for a few years. He has been located in Denver for the last twenty years.

Last week's rains came just in time to save the fall wheat which was coming along very poorly. Many grain were not coming at all, and fears were entertained by the farmers that the season was so dry that the wheat would be a complete failure on the clay lands. A scarcity of water for cattle was also much felt and pastures were drying up.

Mrs. Mary Jane Chittick, widow of the late Christopher Chittick, passed away at the home of her daughter, Mrs. S. McLeary, Brook, on Wednesday morning, Sept. 27th, at the advanced age of 81 years and three months. Her husband predeceased her in April, 1914. Mr. and Mrs. Chittick formerly resided in Glencoe.

Mrs. Neve, Glencoe, Mrs. James Leithbridge, South Ekfrid, and Mrs. Geo. C. McFarlane, Toronto, are daughters. The Public Library Board has decided to move the library into W. A. Currie & Co.'s grocery store and appoint Roy Roberts librarian at a salary of \$75 a year, the present librarian, Mr. Barker, having resigned. A proposition was made to appoint Colin Leitch librarian and leave the library where it is, giving Mr. Leitch the library room rent free for his tailoring business in lieu of a salary, which is a reasonable proposal and there is a new bone of contention in the life of our village.

Horses of the Glencoe district are capturing the bulk of the prizes in the show ring at the local fairs again this year. Last week at Wallacestown D. J. Mitchell was awarded 1st and Roy Gough 2nd for single carriage; Munroe & Gilbert 1st for carriage team and 1st in three-year-old carriage class; James P. 1st, Janieson Bros. 2nd, in roadster class; Roy Gough 1st in combination saddle and carriage class and 1st for lady's driving outfit; D. J. Mitchell 1st, Munroe & Gilbert 2nd and Roy Gough 3rd in high stepping class.

In these days when the country is flooded with inexpensive books magazines, newspapers, religious tracts and thousands of faddist leaflets, not to speak of the tons of Government reports (mostly avenues for graft) flooding the mails from Ottawa and Toronto, some people are beginning to think that there is about as much need for the village public library as for a fifth wheel on a wagon. Truly, of making many books there is no end.

The St. Thomas Times says:—Alexander (Cappy) Martin, Moore street, is taking in the Glencoe Fair and renewing old acquaintances. Mr. Martin was one of the early pioneers in that vicinity, and was a prominent agriculturist before retiring a number of years ago. Mr. Martin has reached the ripe old age of 81 years, and is hale and hearty and reads the newspapers without glasses as easily as he did at thirty. Mr. Martin is well posted on the current topics of the day. His son, William Martin, tobaccoist, accompanied him to the fair.

How to CLEANSE THE SYSTEM.—Parmentier's Vegetable Pills are the result of scientific study of the effects of extracts of certain roots and herbs upon the digestive organs. Their use demonstrated in many instances that they regulate the action of the liver and the kidneys, purify the blood and carry off morbid accumulation from the system. They are easy to take, and their action is mild and beneficial.

Are The Four Fruits Used in Making "Fruit-a-lives"

"FRUIT-A-LIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-lives because I have tried other remedies and they did me no good." On the other hand, the fact that "Fruit-a-lives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-lives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. Too much of the noise in this world tries to pass itself off as music.

It is disappointing to any man to get back and find that no one knew he was away.

Debate they cause with thy neighbor himself, but when herself is present open not thy lips.

A husband was recently very sad because his wife had gone on a visit which she would not shorten in spite of his appeals to come home. He finally hit upon a plan to induce her to come home. He sent her a copy of each of the local papers with one of the items clipped out, and when she wrote to find out what it was he had clipped from the papers he refused to tell her.

The scheme worked admirably. In less than a week she was home to find out that her husband had not been going to know about.

No better protection against worms can be got than Miller's Worm Powders. They consume worms and render the stomach and intestines unattractive to them. They heal the surfaces that have become inflamed by the attacks of the parasites and serve to restore the strength of the child that has been undermined by the draughts that the worms have made upon it, and their operation is altogether health-giving.
